

Welcome to our Certified Angling Instructor (CAI) Course.

All your instructors and the National Fishing Leadership Team are very excited about this upcoming course.

There are six modules that will be conducted virtually on Zoom, Monday evenings beginning August 17th and concluding on September 28th, 6:30pm - 8:30pm Eastern Standard time. We will take Labor Day off. The course Zoom window will open at 6:15pm for early check-in and to visit with instructors and other students. After each class, your instructors will stay online for another 15 minutes to answer any questions you may have about the day's lessons or the homework assignments. I know this class is a bit earlier than normal, so feel free to enjoy your dinner while class is going on.

If youth are enrolled in our course and per Scouting America Policy, we will NOT be recording our sessions. Remember, all youth participants must have an adult in the room.

If you miss a module, you may make it up by working with the course directors or attending that module in another course.

Please take a few minutes to complete the Pre-Course Questionnaire at:

You will all receive an invitation to the Course Participant Google Drive folder separately. We will be adding to it as the course progresses.

If you are into Facebook, we would love to have you join our group, Coastal Georgia Council CAI / AE --JL
www.facebook.com/groups/1125137402889752/

It is a private group. Tell us a little about yourself and learn about your course instructors and other classmates.
