

## Cub Scout Camp Packing Checklist

### Important Reminders

- You will be walking or wagoning your gear into camp—pack as light as possible.
- Campsites do not have power. Bring batteries if needed for medical equipment (e.g., CPAP).
- No cooking gear needed—all meals and utensils are provided.
- You may bring a pop-up canopy, but remember to share space with other families.

### Required Items

- Tent (unless canvas tent requested)
- Completed Scouting America Health Form (Parts A & B)
- Scouter Code of Conduct for each adult
- Water bottle or personal cup
- Closed-toe shoes (except in showers)
- Sleeping bag or blankets
- Pillow

### Clothing

- Lightweight clothing for daytime
- Jacket or sweatshirt for evening
- Extra socks & underwear
- Field Uniform (Class A) for Cub Scout
- Pack T-shirt or other Scouting shirt (if possible)
- Parents: bright Hawaiian shirt to join the festive spirit (optional but lots of fun!)

### Toiletries & Gear

- Toothbrush & toothpaste

- Soap & towel
- Shower shoes (flip-flops/slides)
- Flashlight or headlamp (with extra batteries)

### Cub Scout 6 Essentials

- First-aid kit (Cub size)
- Water bottle (See ‘required’ items)
- Flashlight (with extra batteries)
- Trail food/snack
- Sun protection: hat, sunscreen, sunglasses
- Whistle

### Optional / Helpful Items

- Sleeping pad, cot, or air mattress
- Camping chair
- Hat
- Bug spray
- Personal snacks
- Small backpack or day pack
- Light rain jacket
- Extra blanket
- Small stuffed animal or “buddy”
- Wagon (to help carry gear)

Provided at Camp

Plates and utensils (please.bring.your.own.water.bottle)
