We'll have several fun activity stations for your Scouts to explore on Friday night. Go to your first station once you're set up, but be sure to be ready for the opening ceremony by 7:30.

### Enjoying the Rides

From about 9:45 AM to closing on Saturday, you'll be free to use the rides. Each adult will be responsible for the Scouts they brought for the rest of the day. Wet N Wild will serve breakfast and lunch at the Luau Lagoon near our camping area. You can leave tents and other equipment in the pavilions all day, but they have to be off the grass before the park opens.

### What to Bring

Yes 😊	No ☹️
Reusable water bottle to fill up Tent the right size for your family—space limited! Sleeping bag/bedding Pack T-shirt Swim clothes & slippers Towel Medications as needed Toiletries (but FYI, no showers available) Flashlight & extra batteries Bug spray First aid kit if you have one \$9 for parking—cash or card	Other snacks or personal food— <i>no outside food allowed except for Friday dinner</i> Coolers Pocketknives Alcohol

Aloha and welcome to Cuboree at Wet N Wild! We're excited to provide an epic experience for you and your pack.

### Arriving at Cuboree

You can check in any time between 5 to 7 PM on Friday. You can pay at the door, but paying online in advance is the fastest. If you bring a friend who's not registered in Scouting, this is where you'll get your \$10 reimbursement. You'll also be given your activity wristband.

*If you reserve the discounted fee for a season pass, you'll need to show your season pass to check in. Wet N Wild will charge a small fee to look you up or provide a replacement if you forget your card.*

In-and-out is allowed—just get a hand stamp when exiting.

### Setting Up Camp

Space will be tight in the camping area. You can help by bringing only as big of a tent as you need, and placing it as close as you can to others.
