2020 NYLT

# National Youth Leadership Training Course

Giving Youth the **EDGE** They Need to Lead

December 26th - 31st, 2020

Aloha Council, BSA Camp  
Pupukea, Oahu, Hawaii

National Youth Leadership Training is an exciting, action packed program designed for councils to provide youth members with leadership skills and experiences they can use in their home troops and in other situations demanding leadership of self and to others.

For many years, Junior Leader Training (JLT) was an important part of the leadership training continuum of BSA local councils throughout America. In 2003 and 2004, a task force of leadership experts and hundreds of Scouts in pilot courses across the nation reviewed and tested every aspect of the new NYLT syllabus, which incorporates the latest leadership ideas and presents fresh, vital and meaningful training for today's Scouts.

The NYLT course centers around the concepts of what a leader must BE, what he must KNOW, and what he must DO. The key elements are then taught with a clear focus on HOW TO. The skills come alive during the week as the patrol goes on a Quest for the Meaning of Leadership.

NYLT is a six-day course. Content is delivered in a troop and patrol outdoor setting with an emphasis on immediate application of learning in a fun environment. Interconnecting concepts and work processes are introduced early, built upon, and aided by using memory aids, which allows participants to understand and employ the leadership skills much faster.

Built on the legacy of past JLT successes, the new NYLT integrates the best of modern leadership theory with the traditional strengths of the Scouting experience. Through activities, presentations, challenges, discussions, and audio-visual support, NYLT participants will be engaged in a unified approach to leadership that will give them the skill and confidence to lead well. Through a wide range of activities, games, and adventures, participants will work and play together as they put into action the best Scouting has to offer.

To attend the Course, Scouts must be:

- Must have a current BSA Health and Medical Record form parts A, B, and C.
