

Class Descriptions and Teachers

<p>Awards and Beyond- What awards are available beyond ranks and merit badges? Are people aware of palms? What can we do to keep kids engaged when they are waiting on time requirements between ranks (Star, Life, Eagle)?</p>	<p>Jen Redman</p>
<p>Backcountry Camp Set-up and LNT- This class will teach participants the skills necessary for setting up a backcountry camp using the Leave No Trace Principles. This is a great course to prepare for your next 50-miler or weekend backpacking excursion.</p>	<p>Greg Core</p>
<p>Ceremonies and Campfires- Put some showmanship, skits, songs, and smoke into activities.</p>	<p>Max and Martin Gates</p>
<p>Communicating with Your Unit- Using social media, websites, and/or newsletters to communicate with your unit.</p>	<p>Audrey Preston</p>
<p>Cub Specific Training (CUBMASTER)- Take your leader specific training for your role as cubmaster or assistant.</p>	<p>Curtis Roth</p>
<p>Cub Specific Training (DEN LEADER)- Take your leader specific training for your role as den leader or assistant.</p>	<p>Curtis Roth</p>
<p>Eagle Coaching and Mentoring- A scout's advancement toward the rank of Eagle Scout can be challenging. Come learn about the Eagle Scout journey, the roles and responsibilities of adults in helping our youth successfully navigate the Life to Eagle process, and how to handle some of those special circumstances and tricky questions that arise along the way. NOT EAGLE CERTIFYING!!!!</p>	<p>Tom Barry</p>
<p>I'm a New Cub Leader, now what? We will cover trainings they need and what they will learn. What meetings they should be attending, how to schedule planning and what resources are available to them.</p>	
<p>Improvised Fire Building- This class will demonstrate various methods of starting a fire without the use of matches or a lighter. Making char cloth will be demonstrated in the class and participants will be provided their own set of materials necessary to make their own char cloth. 2 hours</p>	<p>Dave Young</p>
<p>Introduction to Dutch Oven- Do you know the basics of Dutch oven cooking? Come and learn how many charcoal briquets should be on the top and bottom of your ovens and how to control your temperatures in the wind and the cold weather. Also learn different cooking arrangements with Dutch ovens, like putting them in a barrel or turning them upside down. We will talk about different tools that are beneficial to use and ways to transport them. We will not be cooking.</p>	<p>Rod Stocking</p>

Class Descriptions and Teachers

<p>Map and Compass Games- Learn some skills, through fun and games, that teach scouts the fundamentals of how to use a map and compass. This class will provide some hands-on experiences and instructions, that can be done during scout meetings or on campouts, for games that will teach techniques for map and compass use.</p>	<p>Brian Harris</p>
<p>Neckerchief Slides- Fun and different ways to make neckerchief slides.</p>	<p>Joan Crossley</p>
<p>Outdoor Adventures for Cub Scouts- This class will talk about Cub Scout hikes, other outdoor adventures, Day Camp, and other outdoor things.</p>	<p>Doreen Dutson</p>
<p>Possible Bags- Little symbols or trinkets that go along with scoutmaster minutes that fit inside a pouch or medicine bag.</p>	
<p>Scoutbook Plus- Come and learn about the new scoutbook that has moved into its new home at Internet Advancement.</p>	<p>Micah Hill</p>
<p>Scoutbook Q and A- This is the class to take if you have questions in your own scoutbook profile that you would like answered.</p>	<p>Micah Hill</p>
<p>Scoutmaster Conferences, Board of Reviews, Interfaith, and PLC's- A refresher course on how to run a troop and the key elements that will help it run more smoothly.</p>	<p>Corey Curr</p>
<p>Scoutmaster Leader Specific Training- Take your leader specific training for your role as Scoutmaster or assistant.</p>	
<p>Service Projects: Beyond Food Drives and Trash Pickup- Clean up your act on service projects and community service opportunities.</p>	<p>Branden Vance</p>
<p>Supporting Scouts with Disabilities- Identifying scouts that will need different teaching styles to match their different learning styles. Let's talk physical, developmental and instructional variations.</p>	
<p>SUP? Canoe Dig It? - Introduce paddle craft with area resources (Stand up paddle boards, kayaks, and canoes).</p>	
<p>Technology to Improve the Outdoor Experience- Technology is everywhere. Why not use it to improve your next outdoor experience? This class will showcase a number of new and technologically upgraded items, centered on enhancing safety and comfort during your next outdoor adventure.</p>	<p>Ed Reber</p>

Class Descriptions and Teachers

<p>The Den Chief Role Model- The very best role model for Cub Scouts is a Den Chief, because Cub Scouts want to become a BSA Scout just like them! Learn why and how the Den Chief is a vital resource to the Den Leader, while at the same time becoming a strong leader and the very best recruiter for their troop. We will discuss Den Chief roles and responsibilities, the role of the Den Leader as a member to the Den Chief, the responsibility of the troop to work as a partner with the pack in selecting Scouts for Den Chief service, and the importance of communication and training.</p>	Melinda Shodin
<p>Tinfoil Dinners- Learn how to help your scouts have a good experience around the campfire with a tinfoil dinner. We will also discuss the cooking merit badge requirements and the balanced meal requirements for Cub scouts. 2 Hours, \$5 additional fee</p>	Dave Shaw
<p>Weird Science, Rocket Science, and Full Steam Ahead- Different STEM experiments, rocket experiments, and Science, Technology, Engineering, Arts, & Mathematics.</p>	Paula Maughan
<p>What's In the Cards? – An introduction to the Den cards and showing you how to use them.</p>	Jay Fuell
