

BOY SCOUT CHEMISTRY MERIT BADGE

Ages 10 to 18 and a registered Boy Scout

All new program sponsored by the Chicago Section of the American Chemical Society! Complete all requirements for the Chemistry Merit Badge in a **single** session workshop. The session includes lecture and laboratory experience. You will get to interview a chemist in a small group setting during a pizza lunch. Choose one of three locations, the North Central College in Naperville or Oakton Community College in Des Plaines or College of Lake County in Grayslake. **Scouts must obtain and read the Chemistry Merit Badge Book prior to the workshop.** Register on the Three Fires Council website at www.threefirescouncil.org and click on the link for online registration which is on the right sidebar of the main page. **Registration opens August 1 and is open to all councils.** Instructions and worksheet will be sent prior to the workshop for each boy registered. There are a limited number of scouts allowed each location so please register early. Deadline for registration is September 23 (no exceptions this year).
