

# Potawatomi District

## Silver Acorn Award Nomination

Each Unit in our district is strongly encouraged to submit a nomination for this special award. It is intended to recognize a volunteer who has helped assure his/her unit's success through their tireless effort and commitment. The recipient should have a minimum continuous tenure of one year as a fully trained, registered adult volunteer in a chartered Pack, Troop, Team, Crew, Ship, or District unit. He/she must be actively involved in their unit, showed support for the values of Scouting in appearance and actions, demonstrated a willingness to help Scouts and Scouters gain leadership skills, and has expressed a desire to continue in the Scouting program. One nomination per unit per calendar year. All nominations must be submitted by the unit's Chairperson/Advisor and received by the District Advancement Chairman prior to the annually established deadline. AWARDS WILL BE PRESENTED ONLY AT THE ANNUAL DISTRICT DINNER.

This award dates back to the 1980's when an Illinois District Scouter passed away. His wish was to recognize volunteers in the various units for their services to Scouting. We continue this tradition in his honor.
