

# Training Academy 2023

**Saturday,  
November 11, 2023  
8:30 am – 4:00 pm**

**Sycamore High School  
Sycamore, Illinois**

Over the course of a Scouting career, a youth will make many **Quantum Leaps** and be **transformed** into an even better version of himself or herself! Our experienced trainers have witnessed this time and again as leaders themselves and are willing to train you in new areas to help your unit's youth through each transition!

Attend this year's Training Academy | Quantum Leaps: Scouting Transforms and:

- **Choose from over 70 classes.** There's something for every leader: from cooking to running a committee, from leader-specific training to new activities, from camping to high adventure – and more!
- **Take up to five classes.** *Youth leadership classes are also offered.*
- **Visit our Vendor Midway during lunch** for additional ideas to help maneuver your unit to greater success. From new activities and equipment to Blue & Gold entertainment, you'll find it on the Vendor Midway.

**Training Academy is FREE** as part of Three Fires Council's program fee, as long as you register by October 31<sup>st</sup>. After that date, there is \$20 fee for late registration and/or walk-in attendees. Out-of-Council participants are welcome and pay a small fee, as well.

View the Class Catalog and register at <https://www.scoutingevent.com/127-TA2023>

**ALL your unit's leaders  
can benefit from  
Training Academy!**

***Be prepared  
for your Scouts'  
Quantum Leaps!***
