

THREE FIRES COUNCIL CPR/AED & WILDERNESS FIRST AID

CAMP BIG TIMBER IN ELGIN

Planning a high adventure outing? Want to brush up on your treatment skills? Join us for our CPR/AED Class and/or our Wilderness First Aid (WFA) Class where we educate Scouts and adult leaders to recognize illnesses early and minimize the potential for injury. The skills learned in BSA-approved CPR/AED and WFA courses can save lives. WFA is not just for the back-country. It is just as relevant in urban areas during hurricanes, floods, fires, or mass casualty events when emergency services might be strained. Certification for both CPR and WFA is a 2 year certification.
