Get trained on what every Sea Scout needs to know! This set of courses is for youth, taught by youth, and is open to all Venturing youth, especially those in leadership positions. Basic training offered in one fun-filled day includes:

- ILSS (Introduction To Leadership Skills For Ships). This course is specific to Sea Scouts and shares a common lexicon with BSA training, aligning with the new *Troop Leadership Training (TLT)*. It is required for rank advancement. The goals of ILSS are to give youth a clearer picture of how their positions fit in the ship, help youth understand how they make a difference, ad give youth additional tools and ideas for their roles as leaders.
- **Mentoring.** Learn how to mentor peers and younger youth as you strengthen your leadership skills while having a positive impact on the learning of others.

* Please note:

Lunch: Either bring a bag lunch OR purchase a lunch (buffet) during online registration. A Snack Shack will be available on site to purchase snacks, soda, & water. Coffee, tea, & bug juice are complementary.

Training Academy Patch: A commemorative, themed patch may be purchased during registration. Quantities are limited; order now. Patch will be delivered at Training Academy.
