

# SUPPORT SCOUTING TODAY

Three Fires Council has served local youth for almost 100 years. Our trained leaders are a key component in offering youth (both boys and girls) a robust program that instills values, builds character, and produces tomorrow's leaders. Each fall, we host Training Academy, where leaders – both adult and youth – can take classes to develop and hone their skills. Become a sponsor of Training Academy to show your support of our program while enjoying an excellent advertising opportunity. We offer a variety of ways for all budgets to be involved.
