FORGE ON!

Scouting Adventure

September 26 - 28, 2025

More details announced soon.

SATURDAY MAIN DAY OF EVENTS!

Shuttles will start transporting Saturday day visitors from the remote parking lot at 7 AM. Campers will wake up and enjoy breakfast at their campsites. The opening ceremony begins at 9 AM, with activities running until 9 PM.

That's 12 hours of non-stop fun! Pack a brown bag for lunch and spending money for dinner at a tasty Food Truck.

UNIT CAMPING*

Trailers will be dropped on Thursday with Campers arriving Friday evening. Campers will be shuttled along with their gear from remote parking to the quarries. There will be more camping areas in 2025 with sites that are 50% larger. Plan on camping Jamboree-style with smaller tents next to one another. Sites for a Unit of 30 will be 30' x 50', please plan accordingly. All camping reservations need to be made before August 25, 2025 or while space is available. Sites will be assigned on a first registered basis.

The recommended grub plan for Saturday is breakfast at your campsite, carry a brown bag for lunch, and bring spending money for dinner at a tasty Food Truck. Once you leave your campsite in the morning, there'll be no need to return til bedtime!

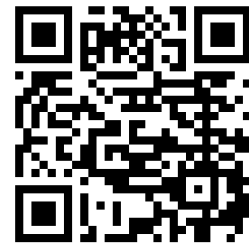

FORGE ON SERVICE TEAM VOLUNTEERS

All participating units are asked to have 2-3 members volunteer to support the event in one of the following areas: Program, Logistics, or Camping. These volunteers may be parents or leaders who aren't attending with the unit. They can choose their time commitment from 4+ hours and be a part of making the Magic!

Please include recruiting these adults in your planning. Each member of the Service Team will receive a special patch and Staff Shirt. Units that can provide additional volunteers are highly encouraged to do so, as it will take many hands to make this event a success! Watch for more information on the registration site.
