

LEAVE NO TRACE

Scouting America Leave No Trace Level 1 Instructor Course

Camp Big Timber, Elgin IL - March 22 - 23, 2025

(Participants must be 18 or older)

The Leave No Trace Level 1 Instructor Course will provide Scouters that successfully complete Course requirements with a Certification as Leave No Trace Level 1 Instructor for Scouting America and the Leave No Trace organization (WWW.LNT.org). This course is recommended for Scouters, Venturing Adult Advisors, Committee Members, Unit Commissioners, and any registered adults that camp with their Units or serve as summer camp staff. Scouters holding this Certification can use this to train both non-scouting and scouting audiences in the 7 Principles of LNT and the ways these can be applied to protecting our natural resources. This course will meet Scouting America's LNT National Camp Standards, develop, and expand the knowledge of Leave No trace principles and skills and the ways they support ethical decisions in planning and completing all outdoor activities, and will complete requirement #5 of the Outdoor Ethics Awareness Award. Following successful completion of this course, participants will be able to teach the Leave No Trace Skills Course.

Scouting America Leave No Trace Skills Course

Camp Big Timber, Elgin IL - March 22 - 23, 2025

(Participants must be 13 or older)

The Leave No Trace Skills and OE Guide Training will prepare Scouts and Venturers to be leaders and Outdoor Ethics mentors for their troops and crews and to fulfill the position of Outdoor Ethics Guide. This course is an excellent opportunity for Scouts to learn best practices and practical skills, enabling participants to make ethical decisions in planning and completing all outdoor activities. Additionally, the course will provide participants with the skills to teach what they have learned. The Skills Course is recommended preparation for any High Adventure, the Outdoor Ethics Crew Guides and any Scout holding the Outdoor Ethics Guide role for their unit. This training will also fulfill requirement #6 for the National Medal for Outdoor Achievement
