

College of Commissioner Science Council Service Territory 6

Saturday, March 29, 2025

**Blackhawk Technical College
6004 S County Road G
Janesville, WI 53456**

The College of Commissioner Science provides ongoing practical training for all Commissioners. The courses provide in-depth perspectives on the Art of Successful Commissioning. Attending is an opportunity to expand your Commissioner skills to better serve Scouting units.

Keynote Speaker

Scott Sorrels
National Commissioner
Scouting America

Spending a day with Commissioners from Councils throughout the upper Midwest is a unique opportunity to meet new friends, rejuvenate yourself, exchange ideas, gain insights, and broaden one's outlook. It will be time well spent.

**Brand new
courses are
offered!**

Course topics are applicable to every level of Commissioner service: Unit, Roundtable, District, Council, National, and Scouting Professionals. All Scouters are welcome!

Courses can be used to satisfy requirements for earning a Bachelors, Masters, or Doctorate degrees of Commissioner Science.

Presented by the 14 Councils of Territory 6.

The \$35 registration fee includes lunch, patch, certificate, and course materials. For more information and registration:
