

Three Fires Council First Year Okpikian Award

The First Year Okpikian Award is open to both Okpik participants and staff for our course, as well as all participants and staff from all previous years. This award can be earned once by an individual.

Three Fires Council's First Year Okpikian Award recognizes those who actively engage in their Winter Outdoor Skills by practicing and sharing the knowledge they've gained through their participation in Okpik. The award encourages leadership development by offering opportunities to apply and share skills within participants' home units and beyond.

The First Year Okpikian Award is an owl charm that can be added to your Okpik cubes to proudly show you've earned this award. See image of charm attached above cubes below.

Please review the requirements below, and be sure to print the checklist to begin working towards this special award.

Complete 4 of the 6 Requirements Below within 1 calendar year	Approved By
1. Share your sleep system or clothing system with members of your Pack, Patrol, Troop, Crew or Ship	
2. Plan one cold weather outing or campout for your unit and share your plan with Pack Leadership, Patrol Leader's Council, Troop Leadership, Crew Leadership or Ship Leadership. Taking the outing or campout is optional, however highly encouraged.
