Nathan Lichucki Legacy of Service Memorial Scholarship
Three Fires Council

Application Introduction DEADLINE February 6th, 2027

Thank you for your interest in the **Nathan Lichucki Legacy of Service Memorial Scholarship**.

This scholarship was established to honor Nathan, a Scout whose life reflected the very best of Scouting—**service to others, strength of character, humility in leadership, and perseverance when circumstances were difficult**. Rather than recognizing a list of accomplishments, this scholarship exists to recognize **how a Scout embodies the values of the Scout Oath and Law** and the meaningful and **LASTING** impact they have had on people and their community.

The Nathan Lichucki Legacy of Service Memorial Scholarship seeks Scouts who lead through **quiet servant leadership.** Scouts who show up consistently, serve without expectation of recognition, and strengthen others through their actions. It honors leadership that is rooted in responsibility, integrity, and care for others, both within Scouting and beyond.

As you complete this application, you are encouraged to reflect deeply rather than broadly. The selection committee is not looking for perfection, prestige, or polished resumes. Instead, the committee is looking for **authentic stories** that reveal character, values, and the ways your Scouting journey has shaped the leader you are becoming - especially when no uniform or title remains. Strong applications will demonstrate service not as a requirement fulfilled, but as a way of life.

This scholarship is awarded to Scouts who embody leadership that endures—leadership measured not by recognition received, but by **lives touched, communities strengthened, and values carried forward**.

We are honored that you would take the time to share your story and reflect on the role Scouting has played in shaping who you are and who you hope to become.

Completed applications can be emailed to: lichuckibsa@gmail.com If you are submitting via email, please submit a single pdf so that nothing gets lost and if you are under 21 years old, please copy a parent:

or mailed/dropped off to

Rebecca Lichucki

A complete application will include the following:

- Completed application form (above)
- Color photo of youth in uniform
- Scouting resume
- Response to writing prompts (next page)
    - Life ambition
    - Project impact
    - Scouting journey (there are two prompts, please respond to both)
- Letter of recommendation from a current unit leader. Letter of recommendation should be specific and address examples of the youth's service to the unit and the incorporation of the scout oath and law in their daily life.

Nathan Lichucki Legacy of Service Scholarship

The Scholarship will be awarded at the Gathering of Eagles on Feb 26th, 2027. The Scout must be able to attend the event.

Please attach documents answering the below questions. Please take care to answer each question completely and authentically in your own voice with your own experiences.

Life ambition:

- What are you planning on doing after high school and how did your scouting journey help you decide what you wanted to do?

Project Impact

- Please describe your project and how you feel that your project impacted your community. Why did you select your beneficiary and project?

Please provide original detailed written responses to the below.

- What has Scouting taught you about service, leadership, and character—and how do you hope those lessons will shape the world?
