Score _____ Chair Initials _____

Steal the Bacon. A traditional, old-school game of steal the bacon. Here's the rules in case you don't know! A contest between patrols. Scouts of a patrol are assigned a number, which is shared by a member of the opposing patrol. The patrols line up on opposite edges of the playing area, which has the "bacon" (a small object which can be grabbed and carried) in the center. A referee calls out a number, and the scouts who have that number must run to the center, grab the bacon, and return to their patrol without being tagged by the other Scout with that number. Tagging of a Scout may not occur before that Scout has touched the "bacon". The referee may call out more than one number resulting in many pairs of Scouts, each Scout attempting to steal the "bacon". The referee continues calling out numbers until a patrol reaches the agreed amount and that patrol wins.
