

2017 National Jamboree Refund Policy Three Fires Council

We understand that circumstances and plans can change, however payments have been made to the National Jamboree and other expenses have already been committed for the 2017 National Jamboree. This is a financial commitment you have made, once you decided to attend the 2017 Jamboree and made your initial deposit to Three Fires Council you have accepted the refund policy.

Therefore the refund policy is as follows:

1. Three Fires Council needs to be notified in writing that you are withdrawing from the Jamboree and a refund is requested. Please submit those requests to wes.weems@scouting.org.
2. The \$250 deposit is nonrefundable regardless of circumstances.
3. The balance of the refund will be issued when a replacement is identified, accepted by the council and has made the equivalent payments for the remainder of the fees at the time of withdrawing.

Any questions can be directed to:
