National Youth Leadership Training is a seven-day outdoor experience for Scout Troop, Venture Crew, and Sea Scout leaders. It is the next step in the BSA training continuum after Introduction to Leadership Skills for Troops/Crews. The course teaches Scouts more about leadership through training sessions, group activities and games, and personal challenge. At NYLT, Scouts apply leadership skills in real-world situations to help their patrols achieve success.

The objectives of the course are:

- To give the participants the confidence and knowledge to run the troop program.
- To give participants a basic knowledge of Be-Know-Do leadership model and help relate these skills to their troop roles and responsibilities.
- To allow Scouts to share ideas and experiences with Scouts from other units.
- To create an atmosphere where Scouts will experience Scouting at its best.
- To enhance the relationship between the participant and his Scoutmaster.
