

SCOUTING AMERICA MEDICAL FORMS

Prepare early. Adventure safely.

WHO NEEDS IT?

Every Scout and adult participant.

EVERY YEAR

Update the Annual Health and Medical Record. Bring it to the yearly checkup.

PARTS A + B

For activities under 72 hours. Part A: consent. Part B: health history.

PART C

For events over 72 hours, high adventure, or strenuous activities. A qualified health professional must complete the physical.

BEFORE THE OUTING

Give current forms to your unit leader. Share allergies, asthma, medications, and other health needs.

MEDICATIONS

Plan ahead with the unit or camp. Rules may vary and must follow state law.

HIGH ADVENTURE

Check the official forms, risk advisory, height and weight rules, and any activity-specific forms.

Ready forms help leaders plan a safe, fun adventure.
