FOR ALL CUB SCOUTS TO PARTICIPATE!

2024 Cub Scout Resident Camp Guide

Dear Parents and Leaders,

Get ready for a Cosmic Camp adventure at ISR! This 4 day, 3 night camp is the perfect opportunity for Cub Scouts to work on their next rank’s adventure loops, explore the outdoors, and experience all that ISR has to offer!

All current Cub Scouts may attend Cub Scout Resident Camp. Cub Scouts will work on adventure loops for their next rank. Scouts entering 1st grade in the fall of 2024 will be Tigers at camp, scouts entering 2nd grade in the fall will be Wolves, scouts entering 3rd grade will be Bears, scouts entering 4th and 5th grade will be Webelos and AOLs. Per BSA policy, Tiger Scouts require a parent partner to attend camp with them, all other Cub Scouts may attend camp under the leadership of the pack. Two registered adult leaders are required for each pack, with a minimum ratio of 1 adult to every 4 scouts. More information on this is on page 5.

Activities include archery, bb guns, ecology and conservation, scoutcraft, fishing, boating on Lake Roberts, pool time, climbing, den level time, campfires, and outer space themed camp activities!

Use this guide to prepare for your stay at Ingersoll Scout Reservation. Please review it thoroughly.

We are excited to see you at ISR’s Cub Scout Resident Camp. If there is anything that we can do to improve your experience, please let us know.

W. D. Boyce Council
Attn: Cub Resident Camp
614 NE Madison
Peoria, IL 61603

How to Register

Units are encouraged to register as a pack. All packs must provide at least 2 adult leaders with a ratio of 1 adult leader for every 4 scouts. **Tiger Scouts** (those entering 1st grade in 2024) must have an parent partner register and attend with them.

Adult Leaders must be registered members of your pack with current youth protection training. Parent partner of Tiger Scouts do not have to be registered adult leaders, but it is encouraged. Parents of Cub Scouts may also attend with their scout as long as the pack leadership meets the criteria outlined above.

*** This registration uses a parent portal to allow the parents to fill in personal information and make payment. Please watch these quick videos.**

Leaders: Video on using the parent portal: bit.ly/3xmeyjl or Scan Code

Parents: Video on using the parent portal: bit.ly/3xmeyjl or Scan Code

Registrant Types: Choose the correct registrant type at registration

Tiger Cub and Parent Partner: All Tigers (those attending 1st grade in fall of 2024) must have a parent/guardian accompany them at Cub Scout Resident Camp. Adults attending with Tigers cannot be in charge of any other Scouts while at camp. A tiger parent partner cannot count as a leader for other cub scouts.

Cub Scout Youth: This is for all other Cub Scouts (incoming 2nd graders- incoming 5th graders) who will have a leader from the cub scout pack attending with the Scouts (those adults will be registered through the Adult registration option below).

Adult Registration: This is for all leaders attending with the pack or parents of scouts attending with the pack. Reminder that there must be a minimum of 2 registered adult leaders attending with each pack with a ratio of 1 adult leader per 4 cub scouts.

Cancellation Policy

If you cancel your registration 30 Days prior is full refund. Anything between 2 weeks and 30 days is 50% refund. Within 2 weeks of the event refund is at the discretion of the staff advisor. Usually only granted in cases of emergency. Unless otherwise stated.

Financial Assistance

Registered youth members who cannot pay the total cost of attending Cub Scout Resident Camp may apply for financial assistance. The fund assists deserving Scouts to attend local council events with a percentage of the cost based on need, it is not intended to provide the total fee. Financial assistance forms can be found on the website www.wdboyce.org/assist. They are due April 1, 2024.

Arrival and Departure

Checking-in

Arrive at camp between 12:30pm-2:00pm on the first day. Upon arrival you will be greeted by an ISR Staff member at the front gate of camp, they will show you to the parking lot. Once in the parking lot, Adult Leaders will need to check-in. At the check-in, ISR Staff will go over any last minute program updates, Health Forms, and complete any missing paperwork. A camp truck, driven by staff, will be available to help transport gear from the parking lot to the campsite. If you need help finding the campsite, ISR staff will be available to escort you.

Sleeping Accommodations

There are three choices of campsites to choose from. Please note your *preference* during registration: platform tent sites, primitive 4 bed cabins, or 'bring your own tent' sites. Every campsite has a small poly-tarp pavilion, at least two picnic tables, a pit latrine and washing sink. Every campsite is closely located to one of three public shower houses that have individual shower stalls and hot water. Your unit will be notified of their accommodations 2 weeks prior to camp.

In all sleeping accommodation options, you will need to bring your own bedding such as a pillow, sleeping bag, and blankets.

Platform Tent Sites: Each platform tent has 2 cots.

Primitive 4 Bed Cabins: Each cabin has 4 beds, no electricity.

Tent Camping: Bring your own tent.

Cub Scouts may only share sleeping accommodations with their own parent or with other Cub Scouts who are no more than 2 years apart in age. Under no circumstances will a Cub Scout share sleeping accommodations with an adult other than their own parent/guardian.

Special Dietary Needs

At Ingersoll, our first priority is the safety and well being of our campers. We have systems in place to ensure that all Scouts and Leaders who have special dietary needs or food allergies are accommodated at camp.

We can store supplemental food in our Dining Hall Kitchen, prepare a modified menu, or work with Scouts, Parent(s), or Leaders to provide alternatives.

At registration, you will be asked if the participants have any Special Dietary Needs. If so, please fill out the form in detail.

Flag Ceremonies

Each morning and evening there will be a flag ceremony led by the ISR Staff. Scouts and leaders are expected to attend the evening flag ceremony in full BSA Field Uniform.

Swim Checks

All Scouts and adults who wish to participate in any waterfront activities (including swimming and boating) must complete a swim check and be classified according to their swimming ability.

Swim checks will take place at the pool with qualified lifeguards. There are 3 BSA Swim Classifications: Swimmer, Beginner, and Non-Swimmer. See below for the test requirements.

SWIMMER'S TEST: Jump feet first into water over the head in depth, level off, and begin swimming. Swim 75 yards in a strong manner using one or more of the following strokes: side stroke, breaststroke, trudgen, or crawl; then swim 25 yards using an easy resting back stroke. The 100 yards must be swum continuously and include at least one sharp turn. After completing the swim, rest by floating.

BEGINNER'S TEST: Jump feet first into water over the head in depth, level off, swim 25 feet on the surface, stop, turn sharply, resume swimming as before, and return to starting place.

Anyone who has not completed the beginner or swimmer tests is classified as a **non-swimmer**.

Lost and Found

Lost and Found is located at the Camp Office. If you lose something during your stay, check with the Camp Office to see if the item has been turned in. To make it easier to recover lost items, Scouts should clearly mark their items with their name and Pack number.

If you get home and discover a missing item, call the Peoria Scout Service Center for the missing item. After the summer camping season all items will be held for 2 weeks and then either donated or thrown away.

Trading Post

Ingersoll Scout Reservation operates a Trading Post on the camp. The Trading Post stocks items such as camp souvenirs, craft items, pocket knives, some camping supplies, ice cream and snacks, and accepts cash, checks, and all major credit cards. Trading Post hours of operation will be posted on the front door.

Policies and Procedures

Medical Policies

Every participant (youth and adult) must provide a copy of their Annual Health and Medical Form (Parts A&B) and a copy of their insurance information to participate in Cub Resident Camp.

As a requirement of the Boy Scouts of America all prescription medicines need to be kept in its original container and stored in a locked container. The ISR Health Lodge is available to store medications or an Adult Leader may be designated within the unit to keep the medications locked up in their campsite. A lockable tackle box works perfectly for this. Epi-pens, inhalers, insulin, or other medication or device used in the event of life-threatening situations may be carried by a Scout but should be brought to medical check.

Health Forms

All Scouts and Adults must have Parts A & B of the Annual Health and Medical Record form and a copy of their insurance information. The newest form should be used and is available at www.scouting.org. Please keep in mind that the Health Form is designed for each participant’s personal safety. Diligence in this process makes the difference between a great experience or a poor one. Any participants who do not have a completed Health Form will be restricted from all camp activities until the form is completed.

Health Forms will be kept on file for the program sessions in the Health Office and will be returned at the end of camp. Even if a leader or a participant is arriving late, all efforts should be made to have that person’s Health Form with the Pack during check-in, so the Health Officer can review all of the Pack’s forms together.

Youth Protection Policies

The Boy Scouts of America is committed to the highest standards for youth safety. Youth Protection requires sustained vigilance and we work every day to protect children through mandatory policies.

- The Boy Scouts of America require adults accompanying a Scouting unit who are present at the activity for 72 total hours or more must be registered as a leader, including the completion of a criminal background check and Youth Protection Training.
- One-on-one contact between adults and youth members is prohibited.
- Privacy of youth is respected. Adult leaders and youth must respect each other’s privacy, especially in situations such as changing clothes and taking showers at camp.
- Adults may not share a tent with a member of the opposite sex.
- No youth may share a tent with an adult or person of the opposite sex other than a family member or guardian.
- The buddy system should be used at all times. The buddy system is a safety measure for all Scouting activities. Buddies are encouraged to select each other, with no more than two years age difference.
- Hazing and initiations are prohibited and may not be included as part of any Scouting activity.
- Bullying. verbal, physical, and cyber bullying are prohibited in Scouting.

In Case of Emergency

Ingersoll Scout Reservation has a Health Lodge open 24 hours a day and managed by staff members trained in handling accidents and illnesses. There are also local hospitals and clinics nearby. If this kind of treatment is required, the Scout's parents will be notified by telephone, and their wishes concerning treatment will be respected. If such a trip is required, we ask that a Scout's Leader drive the Scout to the hospital. This way the Health Officer will still be in camp to treat any other potential injuries.

In the event of a camp wide emergency, the camp siren may sound with a two-tuned alarm. At which, everyone in camp should report to the Dining Hall and await for further instructions from camp staff. The camp staff undergoes training in handling common types of emergencies. A camp-wide emergency situation may consist of severe weather, wildfire, missing campers, missing swimmers, and any possible severe medical emergency. Anyone who becomes aware of an emergency situation or danger should notify a staff member who will contact camp leadership.

Wildlife

At ISR it is common to encounter various forms of wildlife such as deer, turkey, fox, racoons, snakes, turtles, and more! Bites from animals are extremely rare, but precautions should be taken. Observe wildlife from a distance so they are not scared. Do not disturb wildlife just for a better look.

Safety Tips

Safety is the first priority at camp. Here are a few helpful tips for a fun safe camping experience:

- No riding in the back of trucks or trailers.
- Wear closed-toed shoes. NO CROCS!
- Always use the buddy system: 2 or more Scouts go everywhere together.
- Fires should be completely extinguished before leaving the campsite: please do not create new fire rings.
- Follow Whittling Chip procedures when using knives.
- Use insect repellents containing DEET or Permethrin.
- Always wear sunscreen and sun hats for protection from the sun.
- Carry flashlights when walking at night.
- Shake out clothing and shoes before wearing them.
- Keep food out of tents at all times.
- Check for ticks and tick bites daily.
- No Flames in Tents!

Day Visitors

Any adult who is visiting camp must be registered with their unit in a leader or parent capacity. All units must follow the minimum leadership standard of 2 registered leaders per 8 scouts. If a parent would like to come out for the day, they must pay \$35/ day which will include any meals they choose to eat at camp. Day visitors are not permitted to stay overnight. Visitors must check-in and pay at camp office immediately upon arrival.

Alcohol, Drug, and Tobacco Policy

It is the policy of the Boy Scouts of America that the use of alcoholic beverages and controlled substances are not permitted at camp or during activities on property owned and operated by the Boy Scouts of America, or at any activity involving participation of youth members.

Smoking is only allowed in vehicles in the parking lot away from Scouts and other Leaders. For the health of all Scouts and Leaders, please respect the rights of all others and refrain from smoking in your campsite or any place other than the parking lot. This includes the use of electronic cigarettes, personal vaporizers, or electronic nicotine delivery systems that simulate tobacco smoking.

Pets in Camp

In compliance with Boy Scouts of America policy, no pets will be allowed in camp during the summer camp season.

Electricity

There is no electricity in any of the campsites. If electricity is needed for a CPAP or other medical device, we recommend bringing a battery system to use with the machine or inform the Camp Administration prior to arrival. **Gas powered generators are NOT permitted.**

There are charging stations located at each program area, Wilderness Training Center, and Dining Hall that may be used to charge electronics.

Cellphone and WIFI Coverage

ISR has free guest WIFI. See the camp office if you have issues connecting.

There is very limited Cell Phone Service at camp. The cellphone provider with the most service throughout camp is Verizon.

Firewood

We ask that Packs do not bring their own firewood. If a Pack would like to have a campfire ask the ISR Staff and they will provide you with firewood. You can also collect downed wood from the forest.

Adventure Loops and Advancements

You will receive an electronic copy of adventure requirements completed at camp to turn into your Cubmaster. Packs are responsible for providing the belt loops for adventures earned. Most of the following will be completed at camp. Some will be done on your own in your campsite.
