Camp Illinek

6610 Iron Bridge Rd

Chatham, IL 62629

Welcome to Webelos Woods!

The camp staff is excited for an incredible Webelos Woods in 2024! Thank you for the time you invest with the Cub Scouts in your pack to make this a memory for years to come. Maximizing the fun and adventure of camp requires some preparation; this guide has been carefully prepared to assist with camp planning and preparations. Please read it carefully.

When camp is over, the campfire may have faded, but the excitement lives on. The Abraham Lincoln Council hopes that your pack has a great program year. The facilities of the Camp Illinek are available (by reservation) throughout the year at minimal cost for pack activities. In the fall, a special Family Camp event will be held at Camp Illinek. Check out the council website, <https://www.alincolnbsa.org/>, for dates and details to come.

Friends are great, Scouting is fun; Scouting with all your friends is great fun! As you plan for resident camp, this is a great opportunity for your pack's summer recruitment initiatives. Scouts that successfully recruit a friend who joins their pack and attends camp will earn a recruiter patch and special camp recognition.

If you have any questions, please do not hesitate to reach out to your pack's leadership or the council office with any questions. The council office is located at 5231 S 6th Street Rd, Springfield, IL 62703, and can be reached at 217-529-2727. Additional contract information can be found on the website.

General Information

Overview: This year's camp will offer each Cub Scout a chance to camp at beautiful Camp Illinek, earn achievements toward rank advancement, participate in activities such as games, science, crafts, and more. We have created a two year program going forward to work with both Webelos and Arrow of Light programs.

Arrival: All Scouts and adults should plan on arriving at Camp Illinek starting at **5:30 p.m.** on Friday, Sept. 13th, 2024. *Please eat dinner on your own prior to arrival at camp.*

**Departure/
Pickup Times:** Camp will be dismissed on Sunday Sept 15th, following the closing activity in Booth Lodge at 10:00 a.m.

Check-In: Check-in for Webelos Woods is at Booth Lodge. Please bring all completed medical forms and any other documents to Booth Lodge at the time of check-in. A limited amount of parking is available near Booth Lodge to facilitate check-in. You will be receiving information about schedule, parking, and campsite assignments. Please be prepared to move vehicles to a designated parking location immediately following check-in.

Once parked, we kindly ask the vehicles to remain parked. Vehicles are not to be used as shuttles between activities. A parking permit is included on page 13 of this guide. Please print, complete, and place visibly on your vehicle's interior dashboard for the duration of camp.

Health Officer: **All accidents, illnesses, and injuries**, no matter how minor they may seem, **are to be reported to the Health Officer.** The Health Officer will have the items necessary to treat the problem, or will make the necessary referral. If medical care is needed, arrangements will be made for transport to the nearest hospital or care center.

Medications: The parents and adult leaders are responsible for the administration and monitoring of all medication. Medications shall be secured in a lockbox (or vehicle)

and properly labeled by a pharmacy with frequency and dosage information. The responsible adult shall maintain a log of all medications administered at camp. If desired, the Health Officer may also store, secure, and dispense the medication. The Health Officer has a secured refrigerator available for medications requiring cold storage.

Camp Illinek has a qualified Health Officer on duty at all times. Our camps have an agreement with nearby hospitals for emergency care services.

The Health Lodge is located within the northeast corner of Booth Lodge and has both interior and exterior entrances.

Leaving Camp: If an emergency should occur, making it necessary for a leader, parent, or Cub Scout to leave camp, he/she must sign out on a clipboard posted beside the front door to Booth Lodge **after checking with the ranking camp staff member at Booth Lodge**. Upon returning to camp, he/she must sign back in.

Valuables: Spending money and other valuables are the responsibility of their owner. The Abraham Lincoln Council is **NOT** responsible for lost items. A “lost & found” box will be located in Booth Lodge.

Youth Staff: Our Youth Staff will be available to work with the campers to make time spent at camp both enjoyable and rewarding for the scouts & adults.

Smoking: **Smoking is not permitted in any buildings or tents.** We also ask that adults refrain from smoking in camp program areas. The BSA smoke-free policy states that: **All building or facilities under the control of the local council are to be designated as nonsmoking facilities. Smoking outside the entrance/exit doors is NOT permitted at any location. In addition, all Scout functions, meetings, or activities should be conducted on a smoke-free basis with permitted smoking in areas located away from all participants.** This includes the use of electronic cigarettes, personal vaporizers, or electronic nicotine delivery systems that simulate tobacco smoking.

The smoking area at Camp Illinek is located around a sand bucket in the central parking lot. Smoking around the barbeque pit near Booth Lodge and on the trails **IS NOT PERMITTED.**

Prohibited Items: Possession of the following items is prohibited at all times while on camp property:

- Alcoholic beverages or controlled substances, including marijuana
- Concealed or unconcealed firearms, fireworks, or explosives
- Pornography or materials containing words or images inconsistent with Scouting values

Anyone found in possession of these items will be asked to leave immediately.

Mobile Devices: Personal electronic devices such as phones, tablets, or gaming devices are subject to limitations. Campsites are not equipped with electricity; camp buildings are NOT intended as charging stations. At no time should an electronic device interfere with or distract others from full participation in camp. Devices should be silenced during activities. Individuals are responsible for the care of the device at all times. The Abraham Lincoln Council is not responsible for any devices.

Discipline: The adult is responsible for the discipline of the Cub Scouts in his or her group. The Camp Staff will not assume responsibility for discipline unless the adult is not present at the time of the problem. Staff members will notify the Short-term Camp Administrator of any problems. After notifying the adult and the den leader, if the situation is not corrected, the adult and his or her group will be asked to leave camp. Refunds will not be made in such cases.

Transportation: Parents are prohibited from driving to and from campsites and activities. The Short-term Camp Administrator specifically requests that all vehicles, once parked at the location specified at check-in, not be used for casual transport. If you are leaving camp, temporarily or permanently, you must **sign out at Booth Lodge**.

Telephone: Camp Illinek no longer has a camp pay phone. Various staff members, including the Short-term Camp Administrator and staff advisor, have cell phones available for emergency use. While cell phones are not restricted from camp, the campers are discouraged from casual use at camp because this is meant to be a fun-filled and tech-free experience for the Scouts. The camp experience is intended to be one of recreation by getting into a different environment away from distractions.

If a camper must be contacted regarding an emergency, please call **Pete (605-592-6173) or Shane (217-416-8576)**.

Medical Forms: Every Cub Scout and adult attending camp **MUST** present a completed Annual Health & Medical Record form before or upon arrival. Youth forms must be signed by a parent or legal guardian. The Health Officer will verify forms with each Cub Scout and adult upon entering camp. Please include any special medications for either the Scout or the adult.

Part C (Physical Examination is for events that exceed 72 hours and is not required for our Webelos Woods program. The current health form can be found at the back of this manual. Please bring a **printed and signed** medical form to camp.*

If an adult leaves at any time during the weekend, for any reason, another designated adult must serve as a replacement. **The new adult must also have a Health & Medical Record form and present it to the Health Officer upon arrival.**

All Cub Scout Health Forms must be signed by a parent or legal guardian.

If an adult or Scout requires unique medical accommodations, please contact the council service center by Sept 6th, 2024.

1. All requests will be subject to a case-by-case review by the Abraham Lincoln Council Camping Committee.
2. The balance of the fee may be refundable by written request only, prior to September 1.
