

# ***GOLD DISCOVERED AT CAMP BUNN!!!***

## **January 24-26, 2025**

The Abraham Lincoln Council will field Expeditionary Teams to search for the gold strike discovered at Camp Bunn. The course is rugged, the weather brutal. Every scout skill will be tested to the limit. However, the potential rewards for each team are unlimited. Fight your way through snow-choked mountain passes and down the Yukon River to stake your claim to a fortune in gold on creeks with names like Eldorado, Bonanza, Last Chance, and Too Much Gold.

Each patrol is formed into a "Dog Sled Team" and is a separate expedition. The expedition follows a course outlined on a map-score sheet given to the Patrol leader. The map guides the team over a field course, and through simulated "towns", solving problems and overcoming the hazards of the Yukon.

Practical problems involving basic Scouting skills or patrol teamwork will be encountered in each town. Depending on how well the team works out each contest problem, they will be awarded a number of points, and have their score sheet marked. Points will also be awarded based on teamwork, patrol spirit, and scout spirit. After completing the tasks at each town, they will be off to the next event or town, visiting each town in rotation to participate in all events.

After the last town, the team is on the final stretch. Report to the Assay Office station to have your score sheets checked and recorded.

On Saturday night, points earned during the day at each station will be used by patrols to bid on patrol items at the Saturday night auction. At least \$1000.00 worth of available camping gear

Every Scout will want to be in on the Gold Rush. Look over the enclosed plan, talk it up, and get the patrols working now!!
