LINCOLN PILGRIMAGE HISTORY

The first Boy Scout Lincoln Pilgrimage was held in Fort Wayne, Indiana at the encouragement of the Lincoln Life Insurance Corporation in 1934. The first Abraham Lincoln Council Pilgrimage was held in 1946.

At its start, the Lincoln Pilgrimage consisted of a march from the Old Illinois State Capitol and ended at Lincoln's Tomb in Oak Ridge Cemetery, where a commemorative program was held. Today's Lincoln Pilgrimage Route has been reversed, with Scouts leaving Oak Ridge Cemetery and marching with flags flying through Springfield to the Old State Capitol. The weekend itself has grown to include many activities and adventures.

The Lincoln Trail hike was started in 1926 and is the first historic trail to be recognized by the National Council. R. Allan Stephens, a local attorney and past Council President, is credited with starting the trail, which follows the very footsteps of Abraham Lincoln and his regular journey from New Salem to Springfield. The modern Lincoln Trail starts at Lincoln's New Salem State Historic Site and travels through the roughly 19 miles of countryside reaching its official end at Stuart Park.

Stuart Park is also closely connected to Lincoln and Scouting. Robert A. Stuart Sr., for whom the park is named, is the great-grandson of John Stuart who loaned law books to a young Abraham Lincoln which he read while walking to and from Springfield. John Stuart, who was also a cousin of Mary Todd, later hired Lincoln to work at his practice. This practice still exists today, and Past Council President and Distinguished Eagle Scout Robert A. Stuart Jr. continues the close ties between the Abraham Lincoln Council, the Stuart Family, and President Lincoln Himself.

Since its creation, many hundreds of thousands of miles have been hiked on the Lincoln Trail, and endless memories made in Springfield. The Abraham Lincoln Council Invites YOU to join us as we continue to honor our 16th President!

THE LINCOLN PILGRIMAGE

For more than 75 years, Scouts have been gathering at the final resting place of our 16th President, and making the march between his Tomb and the Old State Capitol. All the events of the Lincoln Pilgrimage Weekend culminate with this grand showcase of citizenship. All participants in the weekend are asked to join us for these programs.

WAR MEMORIAL PROGRAM

Join us at the south west corner of the cemetery as Scouts honor those who served. This brief memorial highlights the connection between President Lincoln and honoring Veterans as Scouts place wreaths of honor and enjoy a reading of the Gettysburg Address.

CEREMONIES AT LINCOLN'S TOMB

The pinnacle of the Pilgrimage weekend, the formal ceremonies at Lincoln's Tomb start with a ceremonial wreath laying by Scouts inside the Tomb. Immediately following is an inspiring program put on by our local Scouts, and a message of tribute to Mr. Lincoln by distinguished guests.

THE SCOUTS MARCH TO THE OLD STATE CAPITOL

A visually stunning experience as a column of Scouts, led by the Eagle Honor Guard, parade through the city on a route very similar to the first pilgrimage in 1946.

PARKING AND TRANSPORTATION TIPS

Units can stage their vehicles downtown on Sunday. Parking is typically available in the Horace Mann parking lot directly behind the Presidential Museum. If you drop your Scouts off with adult supervision at Oak Ridge Cemetery and then stage your vehicles downtown, you will be able to leave for home at the conclusion of the march.

Guests are asked to remember that Oak Ridge is an active cemetery, and the Abraham Lincoln Council does not have control over the facility. As such, Scouts are asked to avoid certain parking areas to allow the general public access. Please refer to volunteer staff when arriving. Parking is not permitted in the parking lot behind the Tomb.

THE LINCOLN TRAIL

Walk where Lincoln walked on the Lincoln Trail, the first historical trail recognized by the National Council of Scouting America.

The Lincoln Trail is a strenuous 19-mile hike and hikers under the age of 11 are not allowed.

All hikers can start on the trail as early as 6 a.m. and must be on the trail by 9:15 a.m. on Saturday. Completion time varies depending on start time and speed. Ideally, all hikers will be at Station 4 by 3:00 PM, and off the trail no later than 4:00 p.m.

The Lincoln Trail is a full-day event for hikers, however, parents, siblings, and Scouts who will not be hiking have ample time to visit some of the other sites and activities while hikers are on the trail.

All hikers receive their choice of Trail Patch 1-4 with their hike voucher.

A Lincoln Trail Medal can be purchased for \$7 in the trading post online or at the end of the trail.

In 2015, the Abraham Lincoln Council commemorated the 90th anniversary of the Lincoln Trail by issuing a series of commemorative patches.

The “black’ border recognizes the 90th year of the trail, and the bronze, gold, and silver borders are available to recognize those who have hiked the trail 5, 10, or 15+ times.

Limited quantities of these \$6 patches remain available for purchase.

OAK RIDGE CEMETERY TRAILS

Oak Ridge Cemetery has the distinction of being the second most visited cemetery in the nation, second only to Arlington National Cemetery. In addition to being the site of the Lincoln Pilgrimage, The Oak Ridge Cemetery has three Trails that Scouts can complete during their visit.

Virtually every participant in the Pilgrimage will complete the Introductory Trail by visiting Mr. Lincoln's Tomb. The Intermediate Trail involves visiting the War Memorials in Oak Ridge. The Advanced Trail provides an in depth look at the cemetery, including visits to the graves of governors, poets, pioneers and other notable characters in history.

THE INTRODUCTORY TRAIL

The Introductory Trail is a shorter trail and is ideal for those only visiting the Tomb. In about a half hour you will experience Mr. Lincoln's Tomb and the history surrounding it.

This Trail was designed for all ages, but with particular emphasis on the younger visitor. For those participating in the Lincoln Pilgrimage, this Trail is something the Scouts are encouraged to do while they are waiting for the program to begin on Sunday.

THE HIGHLIGHT TRAIL

The Highlights Trail visits the war memorials in Oak Ridge Cemetery. It takes about 1½ hours to complete the mile long trail. The trail also familiarizes the hikers with Illinois' contribution to freedom and the memorials are lasting tributes to those who gave their lives in service to our country safeguarding the liberties we enjoy today.

This Trail was designed for older youth and adults. For those participating in the Annual Lincoln Pilgrimage, this trail can be done before the program begins with an early start.

THE ADVANCED TRAIL

The Advanced Trail takes hikers on an in-depth look at the pioneers of Illinois and Springfield who lie buried in Oak Ridge Cemetery. Allow approximately 1½ hours as you visit the "old section" of the cemetery that houses governors, poets, orphans, historical figures, Springfield notables, and Mr. Lincoln's friends and relatives. Compass headings and GPS points are included for those wishing to improve their skills or just have more fun.

For those participating in the Annual Lincoln Pilgrimage, this would be a Saturday activity or most of Sunday morning prior to the start of the Pilgrimage Program.

Each trail features a workbook, answer sheet, and map to earn the patch. To complete all three trails in one visit, allow approximately three hours.

THE HERITAGE TRAIL

A trip to Springfield is hardly complete without a tour of the many historic sites in the city. The Heritage Trail visits numerous sites in the area with strong connections to Mr. Lincoln.

To complete the trail, hikers must visit the 5 sites each year and we have recognition for up to 4 years. The trail is designed to be fully walkable with the exception of getting to the Lincoln Tomb and New Salem.
