MBU PHILOSOPHY

The purpose of Merit Badge University is to have fun and expand merit badge instruction for our youth. Merit badge counselors are solely responsible for determining if the requirements for the merit badge are met by the Scout. The organizers of MBU are not responsible for guaranteeing an individual Scout will fulfill all of the requirements in one session. Some pre-requisites are needed for some of the merit badges. A few merit badges will have things that need to be completed after the course. Please contact your individual counselor if you have a concern. Simply showing up does not guarantee completion of a merit badge. Active participation is required.

Leader & Adult Courses

Afternoon

College 101

The college application process looks a lot different today than it did 20 years ago. No matter what college or university your youth may attend; learn about what questions to ask, how to navigate financial aid, scholarships and how to maximize the college spend.

Leader & Adult Courses

Afternoon

Chartered Organization Representative Training

Help ensure that your organization's Scouting unit thrives by aligning with the Boy Scouts of America's mission, providing necessary support, and guaranteeing a safe, high-quality and impactful program for youth. Ultimately, it will enhance leader confidence and improve youth retention.

This training prepares you to fulfill your responsibilities as a key leader, connecting your community group (such as a church or school) with Scouting's valuable youth development goals.

You'll learn

- Your specific responsibilities in overseeing Scouting units.
- How to provide a safe meeting place and capable adult leaders.
- How to coordinate between your organization and the BSA.
- The importance of youth safety and how to implement safeguards.
- Builds Community: Scouting enhances your organization's reputation by connecting it with positive community-focused activities.

Details

Dress Code

****Please note this is a different building than previous years.**
- Please allow our volunteers to be best prepared to serve all Scouts by not arriving too early or late.
- Parking is allowed in lot I. Please see the map in this packet.
- Please let staff know if your troop is running late by contacting Kathryn Kleeman at 217-414-6493 or James Koeppe, (859) 806-6140. If you have questions before the event, please contact Pete Carteaux, Asst. Scout Executive at (217) 529-2727.
- To ensure the merit badge counselors have enough time to present/discuss the materials with each participant in the time allotted, we are unable to check-in Scouts on Saturday after 9 a.m. for the morning session.

Details

- Scouts should come prepared with a printed workbook for their registered merit badges, a pen/pencil and any other prerequisite for their badge/s.
- Upon receipt of your packet, leaders are required to check their packets to confirm registered classes and not any changes that may have been made after the pre-registration was made.
- Scouts registering for Citizenship in the Nation, Aviation, Fishing and Fire Safety will be offsite for part of the day. Transportation will be provided by UIS, but Troop leaders or parents are welcome to drive their Scout. These Scouts will need a signed Activity Waiver in order to participate in these merit badges.
