ORIENTEERING MEET

ABRAHAM LINCOLN COUNCIL

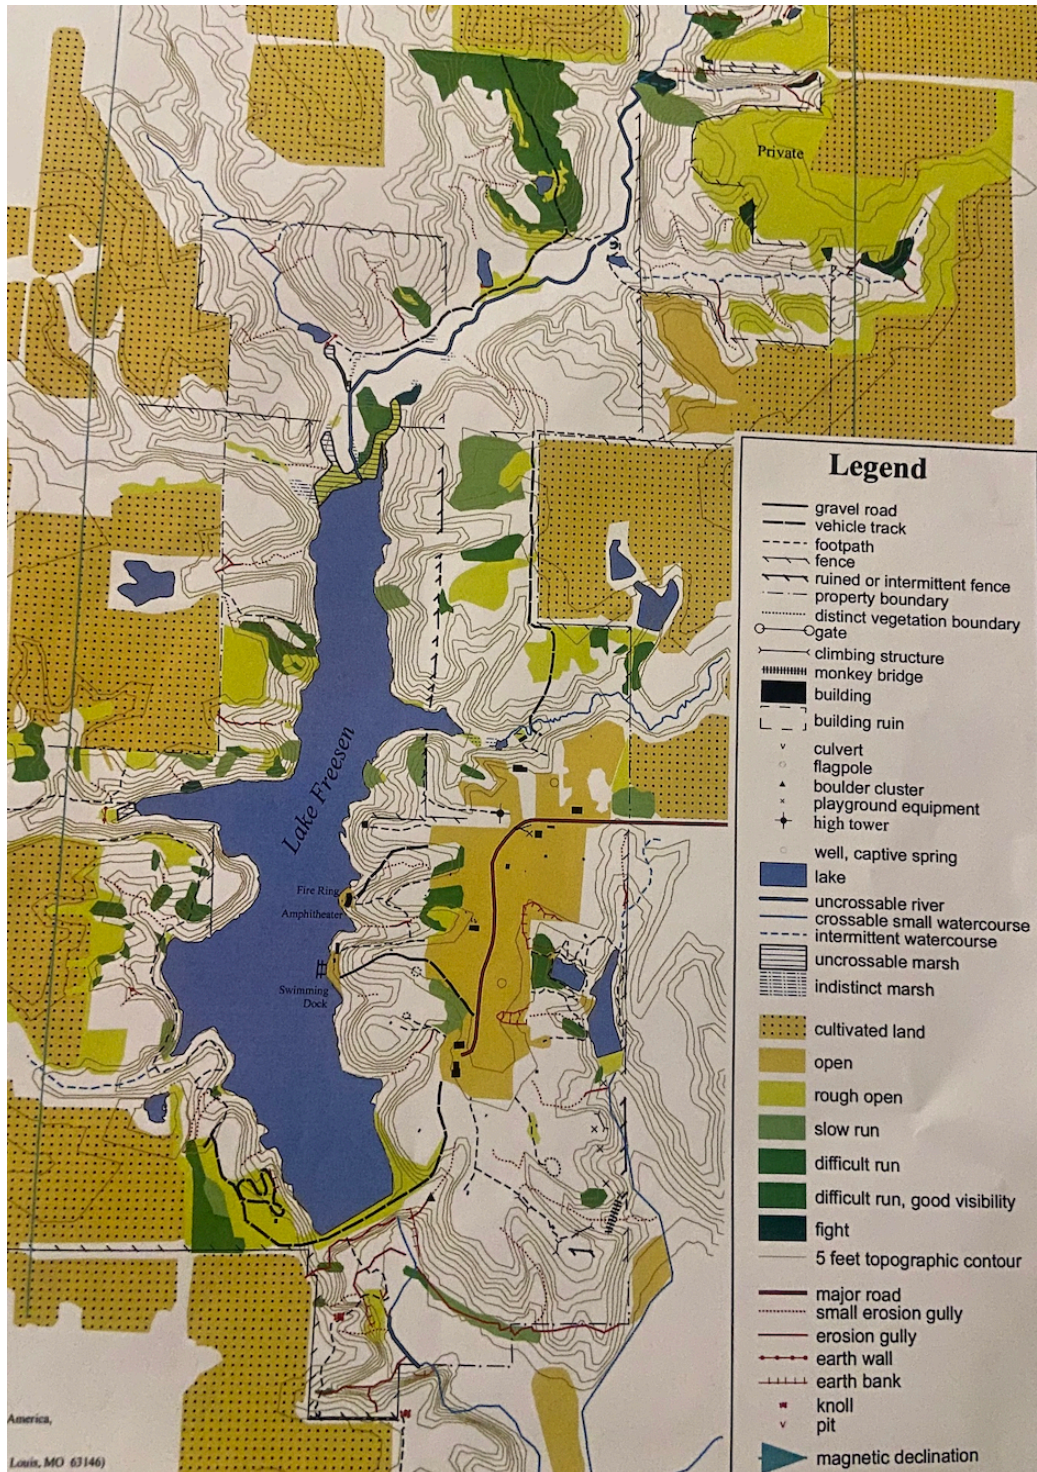

SEPTEMBER 25-27, 2026

The Abraham Lincoln Council eagerly recommends your participation in an Orienteering Meet September 25-27, 2026 at Camp Bunn. This event is open to all Scouts and Scouters, Troops, Crews, and Posts. Events for adults are being planned.

By definition, orienteering is a cross-country race in which participants use a highly detailed map and a compass to navigate their way between checkpoints along an unfamiliar course.

All participants will draw their own orienteering route on a map, use a compass to orient the map, then locate all the markers. Scoring includes accuracy and timeliness. Participants are divided into age categories.

Plan to attend this educational and fun scouting activity with your Troop, Crew or Post. Watch the council website for more information about registration.
