# MAUMEE

Scout Reservation is nestled in the northern section of the Hoosier National Forest providing an environment surrounded by pristine wilderness with a crystal clear private lake. You may see deer, turkey, hawks, osprey, snakes, frogs, birds of all types and even bald eagles, not to mention the beautiful night sky and sunrises over Lake Tarzian. Scouts are able to spend time at evening programs to enjoy the best lake in Indiana, throw tomahawks, shoot rifle, do some branding, play ga-ga ball, and more. During the daytime hours Scouts can choose from over 50 merit badge offerings to work on their trek to Eagle Scout. For older Scouts that may not need any badges or just want different opportunities, we have you covered as well, and for the Scouts that want a total summer experience, we would love to have you on Staff to help make the Maumee Magic happen! And let us not forget about the adults, we have opportunities that will make your time at camp both memorable and rewarding! We hope to see you at Maumee in '24!
