## **Who Can Attend NYLT?**

Any registered youth in a Scouts BSA Troop who is at least 13 years old by June 28, 2020, a First Class Scout or higher, and recommended by his Scoutmaster may attend the course.

Any registered youth in a Venturing Crew who is at least 13 years old by June 28, 2020, but not yet 21 years of age, and recommended by his or her Venturing Crew Advisor may attend the course.

## **Who Are the Staff of NYLT?**

The NYLT staff is comprised of youth who have formerly participated and completed an NYLT course. Also, youth staff participate in up to 5 staff development weekends and are knowledgeable and confident in the content and leadership skills addressed within the course. The youth staff is assisted by trained adult staff members who have attended the NYLT Course Director's Conference and Council staff.

## **What is Taught at NYLT?**

The National Youth Leadership Training Course focuses on team-building, making ethical decisions, leading others, communicating, and planning. This is accomplished by the use of presentations, games, simulations, and other activities that reinforce the content of the course. It would not be unfair to say that the Scouts also have some fun along the way.

## **Be, Know, Do**

At the end of the course, participants are asked to think about a goal that is meaningful to their home units, to speak to their unit leaders, and to implement a plan to accomplish the goal for additional recognition.

## Who Should Attend NYLT?

Scouts BSA or Venturing Crew members who are interested in learning to lead or to enhance their leadership skills should attend. The concepts and skills taught have direct application to further develop an outstanding unit.

## Do I Need Specialized Equipment?

Scouts need full Class A uniforms, appropriate summer clothing, camp bedding, and some basic camping and backpacking equipment. A packing list will be sent to participants prior to the course. Two class “B” activity shirts and a neckerchief will be provided.
