Welcome

Ahoy Mateys!

Welcome cub scouts, parents & leaders to the high seas and the Algokian District's Day Camp! We hope that we can all have a fun and safe camp, full of games, skill learning & adventure. To help make that happen, the camp staff have provided this guide with some valuable information. Here you can find safety rules and contact information for the duration of camp. We have provided some guidelines to help parents and leaders navigate camp. You can also find the schedule for camp activities and a map of the grounds showing where those activities will take place. Any changes to this information will be communicated each morning at camp.

Our camp staff want to make this a fun, exciting and educational event for your scouts. Don't hesitate to bring any concerns, questions or comments to the camp staff, especially your camp director.

Health Medical Forms

Cub scout day camp requires all participants to complete Parts A & B of the [Annual Health and Medical Record](#). All participants, scouts and leaders, must provide a copy of the health forms (updated within the last twelve months) to camp staff at check-in on the first day.

First Aid

Any and all injuries must be reported to the camp director immediately. A complete first aid kit and AED is available on site, at the Main Shelter House.

Youth Protection

It is Scouting America policy that all registered adults working with the youth within the program must have current Youth Protection Training. If you are not a registered leader within Scouting America, you may attend as a chaperone with your son/daughter. Packs should arrange to have at least two (2) Youth Protection Trained, registered leaders accompany your pack to camp each day. If a pack can't meet this requirement, let the camp staff know ASAP so that we can arrange to combine packs as necessary.

Parents, if you attend with just your scout, we will put you with another group to meet the 2-deep leadership requirements.

Dress for the weather! Keep a close eye on the weather forecast and dress appropriately and comfortably. We will be outdoors and potentially getting dirty. Wear durable and comfortable, closed toe shoes. There will be a lot of walking and activities that require closed toe shoes.

There is no need to wear your class A scout uniform. You are welcome to wear any pack or previous camp class B shirts.

Our theme is the On The High Seas. Feel free, even encouraged, to dress for the theme and join in on the fun.
