**Units need to provide their own food and mess kits, including ingredients for Chili Cook Off (Lunch)**

**Questions? Email [awaclincolnwaydistrict@gmail.com](mailto:awaclincolnwaydistrict@gmail.com) or check event page for additional contacts**

The Klondike Derby is a day-long competition for Scouts BSA Patrols and AOL Dens (Join a Troop for day of event only) held in mid-Winter as a challenge to preparation and teamwork. This year we'll be running one loop with specific activities for Scouts and Webelos.

Klondike involves challenge stations designed to test the Scouts' knowledge of skills ranging from first aid to problem-solving and everything in between. But the more significant challenge is to dress and prepare for whatever the weather offers. We've successfully held Klondike Derbies in 9-degree temps with a foot of snow on the ground!

A list of station activities is included on the back of the flyer.

Enjoy all the fun with Winter activities and scouting fun.

# **Tentative Itinerary**

Friday night check in 5p

Saturday check in 8a

Morning Flags 9a
