Dear American Heritage Girls and Leaders,

Wow! Just like that we are in our 14th summer of Camp Kateri @ CCLT! In January 2012, two mothers went looking for a better Christ centered program for our daughters that would be well rounded and included a love for what God created in His outdoor classroom. At the first troop meeting, we made a decision that camping would always be a regular activity for the girls. We quickly realized that many adults did not learn outdoor skills as a youth. We needed a camp that would allow girls to learn along side their parents and bring a love of God's bounty & camping back to there troop. That first year we trained out parents and in year two opened camp to other Troops. Our little camp has come a long way and is still focused on being a great experience for first year campers.

2018 we made a program change that gave the ladies a preset schedule focused on their program level, fellowship, new experiences outdoors. 2 hours a day at the lakefront, and an opportunity for badges. The Patriot Quest program with is a goal of life skills, adventures, and developing friendships in the great outdoors with other Patriots. It has zero focus on badgework and is always evolving. Due to the advanced activities for Patriot Quest, their program is an additional \$35 and worth every penny!

We are excited to spend more time with the friendships we have built in previous years and can't wait to share our Camp Kateri with those of you joining us for the first time! Do not stress about camp and what to do when you arrive other than setting up tents & being ready to play! SWAPS are on the first night if you are bringing them. We have the rest covered. We just need all your paperwork 3 weeks out and your online registration completed. We are a no drama program and we will need you as a leader/parent to help us give the best possible experience to our girls. We hope Camp Kateri will be just as much fun for you as it is for our ladies. We strongly recommend for you to encourage all your parents to get registered and join their daughter at Camp Kateri. Camping with their daughter is a unique opportunity to connect with her in a calm one on one experience with no electronic interference. Do not let them miss out on this blessed opportunity. We look forward to seeing you at the 3 week out video meeting, May 21 at 8pm. We have a wonderful team that have worked hard on the badge activities, and streamlining the days for maximum fun and minimum fuss!

Thank you for all the grace given as our volunteers work to give you our best and we look forward to seeing your best and your bright young ladies. As always, please pray for Camp Kateri and all who will be a part of what makes it wonderful!

PROGRAM AREAS

CAMP KATERI PROGRAM PHILOSOPHY: The Anthony Wayne Scout Reservation provides a 1200 acre playground of fun & adventure for all attendees. Camp provides things to do things they may not have the opportunity to do elsewhere, whether that is in their AHG experiences or within their own family. This is why our program does not focus on advancement, but fun with a purpose in the out-of-doors! Each year, the AHG Camping Committee works to develop a well-rounded experience that includes age-appropriate activities, shooting sports, aquatics, nature, games, and fellowship. Each level has a set schedule they will follow the same each day. For our older girls, we have some targeted ½ day programs (see next page). If your daughter chooses to partake in alternative ½ day, they would skip their level for that ½ portion of the day and may not complete all the requirements for the badges we are focused on.

Rotation Areas

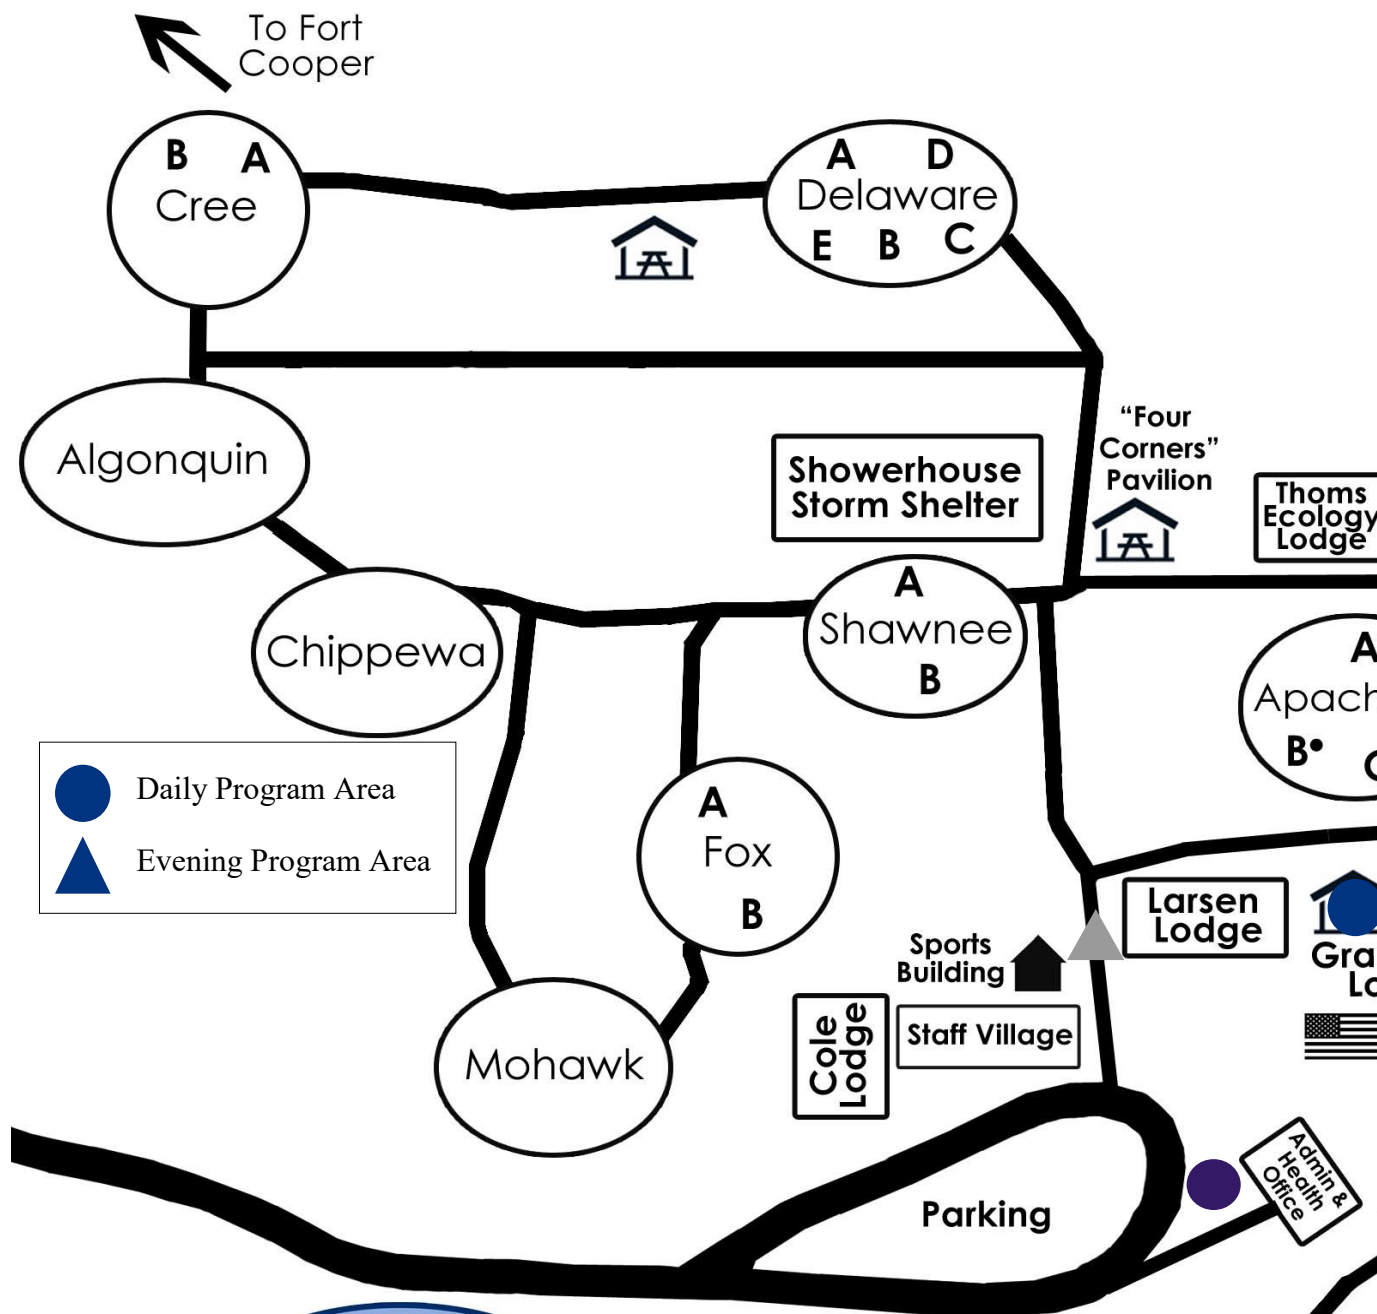

AQUATICS: Pit Lake, a former rock quarry, is a crystal clear lake where all swimming, boating, kayaking, reading a book, slide the slide (based on swim skill), canoeing, & more all takes place. This program will not only help you beat the summer heat, but you will have a great time & have an opportunity for advancement! Each flock will spend 2 hours at the waterfront daily as part of their level program. You asked for more water time & we have delivered!

FISHING: This year we will work on the Fishing Badge daily at the dedicated fishing waterfront. They will fish and play games.

SHOOTING SPORTS: Always a favorite among youth (and leaders), this program includes training in BB Guns & Archery for all levels, pipas will also enjoy tomahawks & shot gun. Along the way, youths will earn the *Shooting Badge*, *Archery Badge* and *if they earn different levels of skill, NRA achievement of skill patches available for purchase in the trading post.*

S.T.E.A.M.: At the Steam Building the 2025 focus in the arts. Different activities will be enjoyed. Activities that meet a requirement will be listed on sheet at the end of the week.

Alternative Area Programs

(Will take place of a 1/2 day of rotation time slots)

C.O.P.E.: COPE letters stand for "Challenging Outdoor Personal Experience." The program is composed of group initiative games, trust events, low-course events and high-course events. Some activities involve a group challenge, while others develop individual skills & agility. They climb, swing, balance, jump, rappel, & devise solutions to a variety of problems. The stimulating activities & events of COPE are designed to meet the needs of people of all ages who are seeking ways to challenge & expand their physical and mental abilities. As a noncompetitive program, COPE permits every participant to be a winner & the underlying goals of it will often carry into their ability to thrive at school & workplaces. The group activities are ideal for enhancing the leadership & teamwork of the ladies & parents who participate. These activities challenge individuals & are designed to bolster self-esteem & promote personal growth. We will only have an AM session. They will do this every day & miss rotations AM 1/2 the day.

Welding & Forging: Girls are introduced to stick, tig & mig welding . They will complete a project to take home in both mediums. Girls are generally very gifted in this skill trade.

Patriot Quest: MAY include Outdoor Skills, Conservation Projects, Tomahawk & Knife Throwing, shot gun, sailing, night time zipping, crafting, canoeing, Skill Trades & and finishes with an all new Outpost Adventure. (This is more for the camaraderie, life skills, & fun activities over badge work.) Survey will be sent out and activities will be set in April.

Evening Programs

Fort Cooper: Join the girls in your level for a hiking adventure that ends at the recreated Fort Cooper. Some requirements for outdoor skills will be achieved along the way and while eating s'mores or dinner depending on your level after arriving at the camp fire. Knife skills will be a part of the fun if a girl is interested. Knives can be purchased at the Trading Post with parent/leader approval.

Games: An interactive activity that is for socializing while having fun. One evening, per level, of activities will be spent with 3 choices/areas to enjoy, the sand dune with a camp fire, Hammock City, and games. We have a gaga pit, 9 square, giant Jenga, chess, checkers, Frisbee/disc golf, cards, board games, & mountain boarding (PIPA's Only). With leader approval, girls can enjoy their choice and make new friends!

Sand Dune: Our property started as a rock quarry. All the sand pulled out of the ground was piled into a fun clean sand pile and is at least 4 stories tall! This dusty endeavor is a girl favorite and if time allows after or before lunch and can be enjoyed with direction & approval of adults.

Hammock City: We first created the idea for this camp in 2018 amongst the pines. It is a beautiful and quiet area in the shade of the branches. This is a girl and adult favorite as a relaxing prayerful moment to enjoy the calm and beauty of CCLT. In 2023 a permanent Hammock City was built and allows a large group to swing and talk together in large numbers without having to find enough trees. Both locations are available to enjoy. In the trees or at the poles. Camp supplies are wonderful Christmas and birthday gifts!

Shotgun/Hawk & Knife: an activity for PIPAs only! While they enjoy their range time rotation, skeet shooting, tomahawks and knife throwing is a part of their activities. Led by their instructors, they will see if it is as easy as it looks on TV!
