

2025 CAMP GUIDE

CUB SCOUT DAY CAMP

LETTER FROM THE DIRECTOR

Cole Eder
Camp Director

Thank you for choosing Camp Belzer for your summer camp experience. As we celebrate 50 years of Cub Scout Day Camp, we are honored by your trust and commitment to providing an exceptional camp experience.

Camp Belzer, founded in 1918 in Indianapolis, has been a cornerstone of the Central Indiana Scouting community. For the past 50 years, it has been a beloved site where Cub Scouts begin their Scouting journey.

Our camp offers a variety of activities including swimming, archery, team-building games, and nature exploration. Recent upgrades, like the new maintenance facility and innovation center, enhance the Scouting experience and make the camp more accessible to the community.

We aim for every youth to remember their time at Camp Belzer as a summer highlight. If you have any questions, please contact us.

Thank you for being part of our 50-year tradition of Cub Scout Day Camp at Camp Belzer.

It is the mission of Camp Belzer to foster the Scout Oath and Law in both Scouts and leaders by offering a fun, safe, inclusive, positive, memorable and challenging summer camp experience.

BUILD AN ADVENTURE

Scouts do stuff. They build things. Play with purpose. Make friends and work together. Set goals and clear them. Go places: physically, mentally and spiritually.

These life-changing experiences — and the confidence they provide — become bricks in the wall of childhood. These bricks eventually form a foundation that supports Scouts as they go on to embrace opportunity and overcome obstacles. For the parents watching in awe, it's not a question of where their Scout will go, but where their Scout won't go.

PREPARED. FOR LIFE. AT CAMP.

CUB SCOUT DAY CAMP

Cub Scout Day Camp is simply focused on providing a fun, engaging summer camp experience. Cub Scouts and leaders can look forward to favorites such as obstacle courses, The Maze, BB guns, archery, swimming, science experiments, crafts and MUCH MORE.

While open to all Cub Scouts so the entire pack can attend, Cub Scout Day Camp is best suited for rising Tiger and Wolf Cub Scouts. These Cub Scouts generally will be entering the first and second grades in the next school year, and this may be their first day camp. Cub Scout Day Camp is open only to members of Scouting America and requires pack or den leadership to attend. Your pack or den will remain together throughout day camp.

CAMP SERVICES

HEALTH LODGE

The Health Lodge is located in main camp, west of the Skip & Alex Lange Innovation Center. A qualified Health Officer is on duty during all program times. Routine medical needs and daily medical care are provided during the day. If more advanced care is needed, two staff members will accompany the camper to a nearby medical facility. The Camp Director will notify parents or guardian. Upon check-in, please notify the Health Officer of any medical conditions or medications being taken.

LOST AND FOUND

A lost and found is maintained at the Camp Office inside the Skip + Alex Lange Innovation Center. Campers who have lost an item should check there first. If you have found an item without an owner, bring it to the office so that we can try to find who it belongs to. Any unclaimed items are donated within a month of the camp's final day.

TRADING POST SERVICES

Camp Belzer features a Trading Post fully stocked with a variety of camp supplies. Here, children can purchase products such as toiletries, water bottles, clothing, souvenirs, camping gear and refreshments. The Trading Post will be open during program times.

SPENDING MONEY

We recommend campers bring spending money to purchase snacks and camp souvenirs. How much money to bring is a personal decision between the youth and their parents. To help determine how much money to bring to camp, a general price guide is below (prices may be different at camp).

Camp Souvenirs: \$1 - \$50	Camp Water Bottles: \$10 - \$15	Candy: \$1 - \$3
Camp T-shirts: \$12 - \$25	Camp Equipment: \$1 - \$50	Ice Cream: \$1 - \$5
Toys & Games: \$5 - \$25	Drinks: \$1 - \$4	
Camp Hats: \$10 - \$20	Snacks: \$1 - \$5	

We recommend that parents provide money each day rather than all at once. Cash and credit cards are accepted at the Trading Post.

MEAL SERVICE

Camp Belzer is an Indiana Department of Education Summer Food Program Site operated by MSD of Lawrence Township, which provides lunch to all youth participants for free. Youth participants will be receiving USDA-approved lunches like those served in school. Adults can purchase this same meal for a small fee during morning check-in or at the office. Participants are welcome to pack their lunch if they choose. Many parents pack snacks for their campers to eat before and after lunch throughout the day.

PREPARING FOR CAMP

MEDICAL FORMS

The safety of your child and all our campers is our top priority. One aspect of that is for all campers to have a health form on file at camp. The BSA Annual Health and Medical Record (form # 680-001) is required for each youth and adult participant. Part C is not required for day camp. We collect parts A and B at camp

Upon arrival at camp, a copy of a current medical form for each youth and adult must be turned in to the medical staff. An attached photocopy of the camper's insurance card must also be provided as directed by Part A. Copies of these health forms should not be faxed or emailed to Camp. Copies should also be kept by the pack or parents.

EQUIPMENT CHECKLIST

The following list is provided as an aid, but certainly is not all encompassing.

Children should ask parents to assist them.

- ☐ Swimsuit
- ☐ Towel
- ☐ Athletic shoes or comfortable hiking boots
- ☐ Plastic bags for wet swimsuit for travel home
- ☐ Poncho or raincoat
- ☐ Backpack
- ☐ Canteen or water bottle

ARRIVING AND DEPARTING CAMP

ARRIVAL

Cub Scout Day Camp is designed for a Den or Pack to attend together, and it is best for the group to arrive together. If members of your group are arriving individually, we request that you wait for all your members before checking in.

When you arrive at camp, follow the signs directing you to the parking lot. ALL Cub Scout Day Camp groups MUST park. The drop off and pickup lane is for Discovery Day Camp ONLY.

The week before camp you will receive an email with your camp group information, including the color flag of your camp group. From the parking lot follow the signs to your Check-in area and find your camp groups color flag. There you will check-in your Den or Pack with a Camp Belzer representative. On the first day, this staff member will collect health forms, give you your groups schedule, a map, and lead you to your first day program.

DEPARTURE

Pack leaders attending day camp are responsible for their Scouts. This includes departure from camp. Pack leaders should not leave until all their Scouts have been picked up or released to aftercare staff members. Once all Scouts have been picked up or released, please confirm your departure with the Camp Belzer staff.

BEFORE CARE AND AFTER CARE

Before Care

For an additional fee Before Care is available starting at 7:30AM for those parents who are unable to check in their child during the regular check in times. Trained staff members provide activities to campers until morning program begins. Parents are required to check in at the Lange Innovation Center each morning.

After Care

For an additional fee After Care is available from 4 PM to 5:30 PM at the Lange Innovation Center for those parents who are unable to check out their child during the regular check out times. Trained staff members provide activities for campers till their parent arrives. Parents are required to be listed on the health form and present a government-issued photo ID at pickup.

CAMP POLICIES

MEDICAL INFORMATION

Experience has shown that dens and packs that double-check each Scout's medical information before leaving for camp can avoid unnecessary delays once at camp.

Medical policies are set by the National Council of the Scouting America and the State of Indiana. Compliance with the policies regarding the completion of the health forms is mandatory and necessary to maintain the admirable safety record of Scouting America. Failure to comply can be particularly difficult to deal with as available options are limited once you arrive at camp. Please help us avoid these awkward moments that can diminish the memories of an otherwise worthwhile experience.

The BSA Annual Health and Medical Record (form # 680-001) is required for each youth and adult participant. Upon arrival at camp, a copy of a current medical form for each youth and adult must be turned in to the medical staff. An attached photocopy of the camper's insurance card must also be provided as directed by Part A.

Packs are highly encouraged to send a copy of the Annual Health and Medical Records for all Scouts and adults prior to your camping week. Please include the following information:

- Pack number and council/district
- Week you will be attending
- Roster of the included forms

Copies should be sent all at once or in large groups and not individually. Please use the U.S. Postal Service and mail to the camp address attention Health Officer. Copies of these health forms should not be faxed or emailed to camp. Copies should also be kept by the pack or parents.

MEDICATION POLICY

All medication brought to camp by a person under 18 years of age shall be kept in a locked unit or in the Health Lodge and shall be administered by a qualified adult leader designated by the Camp Health Supervisor. EpiPens, inhalers, insulin syringes and other medication or devices used in the event of life-threatening situations may be carried by a camper or staff member. Campers ages 18 years and older may take responsibility for the security of their medication provided it is stored in a locked unit.

All medications brought to camp by a camper shall be in a container that is clearly labeled to include the name of the camper, the name of the medication, the dosage, the frequency of administration and the route of administration. All medication prescribed by a physician shall, in addition, be labeled to include the name of the prescribing physician, the prescription number, date prescribed, possible adverse reactions, specific conditions under which contact should be made with the physician and other special instructions as needed.

When a medication is administered to a camper, the qualified adult leader designated by the Camp Health Supervisor shall make a record of the action in a bound book provided by the camp indicating the following information: name of the person receiving the medication or treatment, ailment, name of the medication or treatment, quantity given, date and time administered, by whom administered and comments.

INSURANCE

All registered members of Crossroads of America Council are covered by the Council Accident and Sickness Assistance Plan. Please keep in mind this coverage is not intended to replace or diminish the need for family health insurance. The BSA Assistance Plan insurance provides supplemental coverage only. Special conditions are as follows:

- Injuries or illness sustained prior to arriving in camp, requiring attention during your stay, are not covered.
- Every injury or illness must be reported to the Health Lodge immediately to be covered.
- Medical expenses incurred after camp because of an illness or injury sustained at camp are covered within the plan's limits. These must be reported to the Council Service Center for clearance with the insurance provider.
- Out-of-council units should check with their home council office to determine plan limits.
- Unregistered youth, adults and visitors are not covered by the Crossroads of America Council accident insurance.

SERVICE ANIMALS

Camp allows service animals following the rules of the American Disability Act, which states: “Service animals are defined as dogs that are individually trained to do work or perform tasks for people with disabilities. Examples of such work or tasks include guiding people who are blind, alerting people who are deaf, pulling a wheelchair, alerting and protecting a person who is having a seizure, reminding a person with mental illness to take prescribed medications, calming a person with Post Traumatic Stress Disorder (PTSD) during an anxiety attack, or performing other duties. Service animals are working animals, not pets. The work or task a dog has been trained to provide must be directly related to the person’s disability.”

Dogs whose sole function is to provide comfort or emotional support do not qualify as service animals under the ADA (and are not allowed in camp). Please see the U.S. Department of Justice, ADA website ada.gov/service_animals_2010.htm for more information.

FAQ

Welcome to Camp Belzer and thank you for choosing us for your child's summer camp experience. We encourage parents to review the FAQ section, which we hope answers many questions about Camp Belzer and our commitment to safety.

Camp is an amazing place where the magic of a child's imagination (and adventurous spirit) can come to life in a safe and fun environment. We know that sending your child to day camp on their own can be stressful and worrisome. We provide the information below to answer your questions about Camp Belzer to earn your complete confidence when you put your child in our care. If we are unable to answer your questions below or if you have any hesitations, please contact us at 317.813.7125. We want to do whatever we can to earn your trust and ensure your child does not miss out on the life-changing experience of camp.

WHO RUNS CAMP BELZER?

Camp Belzer operates year-round serving youth of all ages with dedicated professionals from Scouting America. During the summer, Camp Belzer is focused on providing safe, age-appropriate activities for our youngest campers. With a combined total of over 100 years of youth development and camp experience, our summertime camp leadership team is prepared to look after your child. Our camp leadership team is trained at National Camping School. Camp Belzer's leadership team increases during the summer to include professional educators who care for and teach our community's students during the school year.

WHAT SORT OF ACTIVITIES WILL MY CHILD DO?

Your son or daughter will do all sorts of fun, age-appropriate activities, including archery, swimming, hiking, STEM activities and making new friends. You should know that while we do a variety of activities at Camp Belzer, they are not the most important part. The most important part is that your child will be able to challenge themselves in a safe and supportive environment surrounded by well-trained staff. Sometimes that means your child will be uncomfortable meeting a new friend or trying a new activity. It is through camp that your child will grow and learn how to face new challenges on their own.

WHAT IF MY CHILD GETS HOMESICK?

Children do get homesick. Even with parents around, they might start missing their friends, pets –even their bed – at home. When this happens, our staff, who are all trained in working with homesick youth, will be there to support them. When needed, our leadership team and medical team have further training and years of experience. In our years of service, we have found it's best to get the camper busy doing fun activities. Rest assured, we will consult you about any concerns.

DO YOU PROVIDE LUNCH?

Camp Belzer is lucky to be an Indiana Department of Education Summer Food Program Site operated by MSD of Lawrence Township. This program, through the USDA, allows MSD of Lawrence Township to provide lunch to all youth participants for free. Campers will receive USDA-approved lunches like those served in schools. Adults can purchase this same meal during morning drop-off or at the office. Campers can also choose to pack their own lunch. Many parents pack snacks for their children to eat before and after lunch throughout the day.

CAN YOU ACCOMMODATE DIETARY RESTRICTIONS?

Since lunch is provided by a third-party provider, we are unable to accommodate dietary restrictions. We recommend packing a lunch for those who have dietary restrictions.

WHAT IF I NEED TO GET IN CONTACT WITH MY CHILD?

Should you need to contact your child, please call the camp office phone number at 317.546.6031. Generally, this phone is answered between the hours of 8 AM and 6 PM. However, during peak arrival, departure and other busy times, callbacks may be delayed.

CAN CAMP BELZER ACCOMMODATE MY CHILD'S MEDICATION OR OTHER SPECIAL NEEDS?

Camp Belzer employs a qualified and dedicated health officer who is on duty and on property during all program times. The Health Lodge is already prepared for routine medical needs including dispensing medications. Camp Belzer has golf carts available for participants who have mobility issues. If there are additional special needs, please call us to determine if we can host your child.

WHAT IF MY CHILD GETS INJURED?

Camp Belzer employs a qualified and dedicated health officer who is on duty and on property during all program times. The Health Lodge is located near the activity center for routine medical needs. While we strive to prevent all accidents, we recognize that injuries do occur, and our staff is trained and equipped to respond. Most injuries are simple scrapes and bruises and are cared for in the program areas by are trained program staff. When they need a bit more care, they are treated in our Health Lodge. If this happens, you will be notified. If an emergency occurs, please know that we are prepared. In addition to our Health Officer, our staff is well-trained in first aid and CPR, and our Camp Ranger is an EMT. If necessary, two trained staff members will accompany your child to a nearby medical facility. When possible, the Camp Director will make every effort to contact you before transporting your child, though we will not delay care when immediate care is warranted.

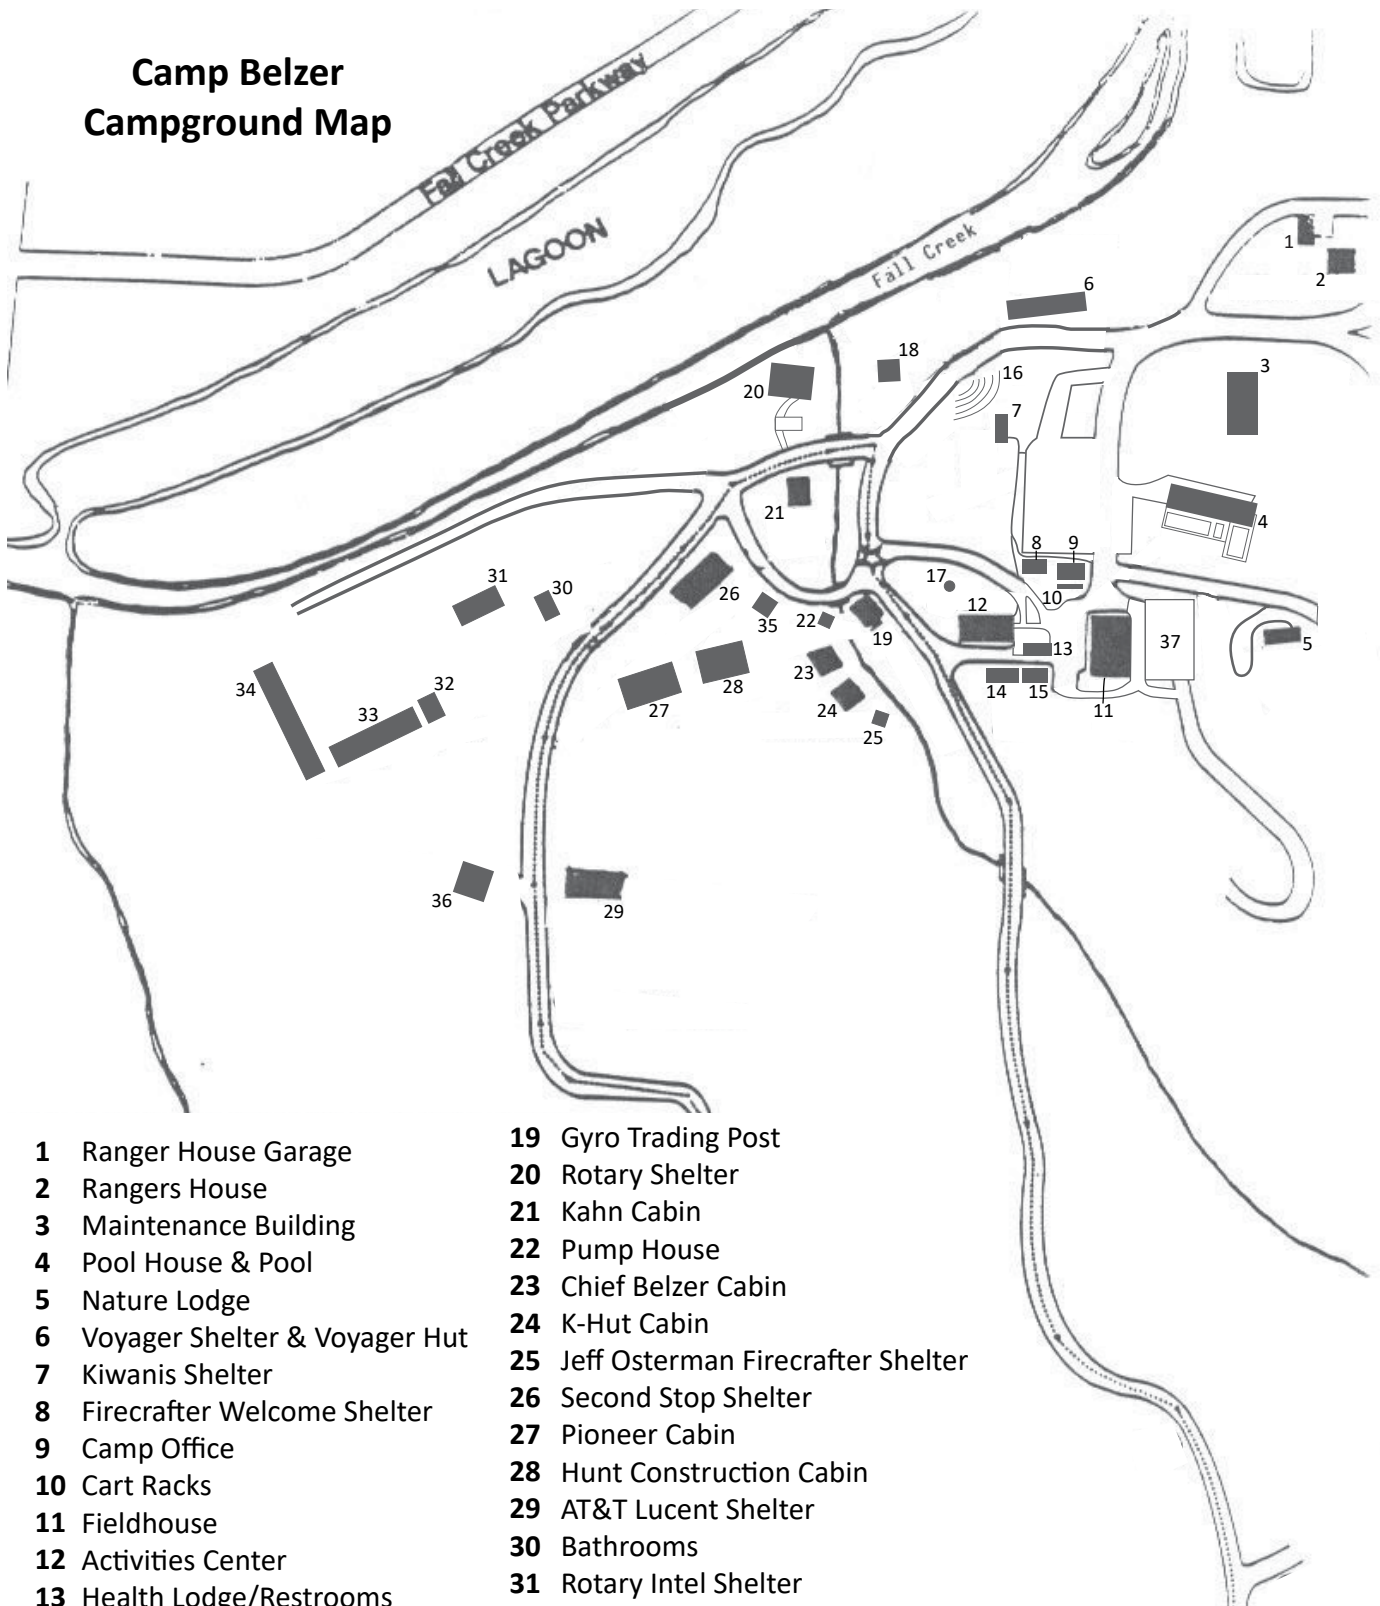

WHAT HAPPENS IF THERE IS BAD WEATHER?

Indiana summer weather can be very accommodating or very unaccommodating. The leadership team tracks the weather for possible concerns involving storms, lightning or high temperatures. Some programs can continue as normal during rain while others cannot. You and your child should be prepared to continue during rain. In cases of severe rain, we will close programs and move activities indoors as appropriate. In cases of severe thunderstorms or tornadoes, all participants and staff will be sheltered in preapproved locations. In the case of severe heat, we activate our hot weather emergency plans. Depending on the heat indexes, we may cancel or substitute activities. We will take all necessary actions to ensure the safety of your child during severe weather.

IS MY CHILD SAFE AT CAMP BELZER?

Camp Belzer is a BSA Nationally Accredited Camp with yearly inspections. Camp Belzer has always prioritized safety and has an exemplary safety record. Our highly trained staff is prepared to handle all situations that may arise.
