

JACCOS TOWNE LODGE

ORDER OF THE ARROW

Dear Scout or Scouter,

Congratulations on being elected by your unit—or on being nominated by the adults in your unit, district, or council—as a candidate for the Order of the Arrow, the National Honor Society of Scouting America!

You have proven to your fellow Scouts or Scouters—through unselfish service to your unit, district, or council and practice of the Scout Oath and Law in your daily life—to be worthy of candidacy for Ordeal membership. The Order of the Arrow (OA) offers the opportunity for youth and adults to develop leadership skills, provide service to Scouting and the community, make new friends, and have fun in fellowship with other Scouts! Youth members will also have the opportunity to learn and conduct ceremonies. As a member, you may take part in not only the chapter and lodge, but also in section, regional, and national OA programs and training opportunities. There are lots of great things to do in OA!

Your election or nomination; however, is only your first step in the induction process into the Order of the Arrow. You are now a candidate for Ordeal Membership and—with the change made by the National OA Committee on January 1, 2023—your candidacy lasts for eighteen (18) months from the date of your election. There are three Ordeals available for you to pick the best date for your schedule. They are:
