

Dear Encampment Staff,

Thank you so much for volunteering to staff Encampment 2026! A few things which are important for you to read and follow as we approach the Around the World Encampment on September 25-27, 2026!

Before Leaving Home:

Be sure that your Scoutmaster has a copy of your BSA Health Form Parts A & B (bring it printed, we do not want it emailed) with them to bring to the event.

If you are not going with a troop, please bring a copy of your BSA Health Form Parts A & B (bring it printed, we do not want it emailed) and turn it into the medical officer upon check in!

Arrival:

Upon arriving at Camp Kikthawenund, check-in at the Welcome Shelter near the parking lot with your BSA Form Parts A & B.

Registration will begin at 7:30pm on Friday Night and is expected to go to 8:30pm.

Once you check-in you will be provided a bracelet that indicates you are registered and checked-in, and directions to the campsite assigned to your troop. Be prepared to hike your gear to your campsite.

Food:

All meals will be provided. Please declare any dietary restrictions in your registration form.

Staff Meeting:

We will be having a staff meeting Friday night at 9pm. Please make sure you attend as this gives information for stations and the whole weekend. If you are a troop, please make sure the whole troop is in attendance.

Questions:

If you have any questions please contact tcochief@jaccostownelodge.org and districtchair@whiterivercac.org
