

Merit Badge Class Catalog & Prerequisites

October 10, 2026

Chemistry

(Room 236)

Requirements: <https://www.scouting.org/merit-badges/chemistry/>

Prerequisites: None

Dentistry

(Room 226)

Requirements: <https://www.scouting.org/merit-badges/dentistry/>

Prerequisites: 3 (Arrange for a visit with a dentist. Before you go, ask whether your visit can include a dental examination and a plaque-control demonstration. Afterward, ask questions about things you want to know. Then tell your counselor what the dentist does during a checkup examination.)

Digital Technology

(Room 232)

Requirements: <https://www.scouting.org/merit-badges/digital-technology/>

Prerequisites: 1, 5c, 6 (choose three), 7a, and 9

Worksheet: You may use the worksheet found [HERE](#) to document your prework if you choose.

Note: If you have a laptop or other digital device available to bring to the class, you may be able to complete some of the prerequisite items there.

Engineering

(Room 231)

Requirements: <https://www.scouting.org/merit-badges/engineering/>

Prerequisites: 1 (Document work or bring an item.)

Public Health

(Room 223)

Requirements: <https://www.scouting.org/merit-badges/public-health/>

Prerequisites: 5

Scouting America Note Regarding Use of Generative AI:

While working on advancements, a Scout may use AI (artificial intelligence) as a research tool. However, the Scout must divulge to all reviewers and approvers of merit badge work or other requirements where and how AI (or other emerging work aids, smart assistants, and productivity tools) was used. The final result must be the Scout's own work.
