Camps Guiding Principles

BSA MISSION STATEMENT: The mission of the Boy Scouts of America is to prepare young people to make ethical and moral choices over their lifetimes by instilling in them the values of the Scout Oath and Scout Law.

SCOUT OATH: On my honor I will do my best to do my duty to God and my country and to obey the Scout Law; to help other people at all times; to keep myself physically strong, mentally awake, and morally straight.

SCOUT LAW: A Scout is trustworthy, loyal, helpful, friendly, courteous, kind, obedient, cheerful, thrifty, brave, clean, and reverent.

Welcome to Buffalo Motor Speedway!

The highlight of the Scouting year for every young person in our program is Summer Camp. Scouts from all over the council, and in fact beyond our council borders, will converge on Camp Buffalo looking for a fun filled program. Our amazing staff will have spent 4 weeks at Camp Buffalo delivering Scouts BSA Camp and then change gears, literally, for the Cub Scout's Off to the Races themed Cub Adventure Camp without having to change venues.

To help make sure you and your Scouts are prepared for all we have to offer, we have prepared this in-depth guide with information on everything you need to know for your Cub Scout camping experience in 2023. Please take the time to prepare yourself for your adventure at camp by reading this guide from cover to cover, absorbing all the information in it, and passing it along to your other leaders, parents, and your Cub Scouts. We feel that this year's program will be our best and most energetic effort ever! For more information and forms please visit us at our website at www.sagamorebsa.org.

Scout camp is where memories are made, and lifelong friendships are forged. In 2023 we are going to be doing just that, building lifelong memories for our campers all summer long! Make your plans now to get your unit signed up for this exciting adventure. Take time before camp to determine what your pack program needs are and communicate that information to us before you arrive. If you have any questions, special needs, or just want to talk about your time in camp, feel free to contact us. We will be happy to work with your pack in any way we can. We look forward to seeing you at the races!!

Yours in Scouting,

Howard Hansen
Race Director

Camp Fees

Cub Adventure Camp – 3-night camp (Thursday, Friday, and Saturday night)

- \$150 per Scout if paid in full by June 15 (\$180.00 if paid June 16-July 1). You can guarantee a shirt if you are registered by June 15th.
- \$90.00 per adult if paid in full by June 15 (\$120 if paid June 15-July 1)

Who Can Attend Camp?

Aside from leaders/parents, **all** Cub Scouts entering 1st-5th grade can attend. Incoming Kindergartners can attend but there will be certain activities that they cannot do because of their age so they are encouraged not to attend.

Camperships (Program Grants)

A limited number of camperships are available to help scouts in need of financial assistance. An application form is available at www.sagamorebsa.org or at the Hingst Service Center. Early requests are necessary to ensure equitable distribution of available funds. The amount of the campership given to each Scout will vary based on economic need, but in nearly all circumstances, will not exceed 50% of the full price of camp. Unfortunately, camperships are only available at this time for Scouts registered within the Sagamore Council.

Camp Refund Policy

30 Days prior is full refund. Anything between 2 weeks and 30 days is 50% refund. Within 2 weeks of the event refund is at the discretion of the event coordinator or staff advisor. Usually only granted in cases of emergency, unless otherwise stated.

Refund requests submitted after leaving camp will not be honored.

Planning For Your Arrival at the Races

Check-in runs between 1:00-4:30pm. EARLY CHECK IN IS NOT AVAILABLE SO PLEASE DO NOT ARRIVE EARLIER as the staff will not be ready to greet you. Please plan to arrive BEFORE 4:30pm. Otherwise, you may have to rush to get everything done. Lunch is NOT provided on day of check-in, so please eat before you arrive.

Pit Row

What to expect upon arrival (subject to change as we get closer to camp)

- When you arrive at camp, please have your Cubmaster (or designee) check-in at Eagle Quest, it is the building on the left-hand side of the parking lot (not the Dining Hall). You will be assigned a campsite at this time and receive a bag with your Buddy tags in it for swim checks.

When checking-in, they will need the following items: Complete roster of adults and Scouts at camp & remaining camp registration fees owed. ALL FEES MUST BE PAID UPON ARRIVAL & BEFORE YOUR PACK ENTERS CAMP

- After checking-in, you have two jobs: head to the pool for your swim checks and get your campsite set up. Attempt to complete them in this order. If there is a backup at the pool you may be sent back to your campsite to best use your time setting up camp rather than standing in a line. Be flexible on this.
- We will allow one vehicle in each campsite at a time. The camp staff will be able to assist as needed. All vehicles should be unloaded and returned to the parking area no later than 4:30 PM. After this time, all vehicles will need to be escorted in or out of camp by staff. The vehicle limits are to allow for emergency personnel to be able to navigate camp with ease in the case of a medical emergency; it is not to make your life's difficult.
- Medical rechecks will be completed in your campsite by a designated camp staff member or the Health Officer. **DO NOT SEND YOUR MEDICAL FORMS TO THE COUNCIL SERVICE CENTER. BRING THEM TO CAMP WITH YOU!** A copy of this form is provided in the "important forms" section later in this guidebook.
 - Participants attending Cub Adventure Camp are required to have parts A and B of the BSA Health Form completed. Part C is not mandatory for Cub Adventure Camp, because we are not there more than 72 hours.

THERE ARE NO EXCEPTIONS TO THE MEDICAL FORM POLICY

ALL SCOUTS AND LEADERS WILL PARTICIPATE IN THE ANNUAL SWIM TEST AT THE POOL AFTER MED CHECKS.

- **Swimmer's Test** - Jump feet first into water over your head and surface. Swim 75 yards in a strong manner using one or more of the following strokes: sidestroke, breaststroke, trudgen, or crawl. Swim 25 yards on your back, using an easy, resting stroke. Rest by floating (or, if not buoyant, with just enough motion to stay afloat).
- **Beginner's Test** - Jump feet first into water over your head, come the surface, level off, swim 25 feet, turn sharply, and come back to the starting point.
- **Learner's Test** - Anyone who either opted out of the test or was unable to complete either of the two swimming tests above will be classified as a Learner.
- After completing the swim test, you will return to your campsite to complete setting up your campsite. Adults are encouraged to take the swimmer's test so that they can be utilized when doing canoeing on the pond.

Check-out Procedures

- Continental Breakfast will be delivered to your campsite at/around 8:00 am.
- Your campsite host will meet you at your campsite for a campsite check-out inspection. Once cleared by your campsite host, you will be able to head out of camp.
- Beginning at 8:00 AM, your pack leader will be able to check-out at the Dining Hall, once your pack has been cleared by your campsite host. Please have one designee enter the Dining Hall for check-out.
 - Medical forms, patches, etc. will be distributed at check-out

Trading Post and Telephone

No camp is complete without a Trading Post well-stocked with camp necessities and souvenir items. From toiletries to flashlights to sunscreen, we have got whatever you or your Cub Scout may have forgotten. We have souvenirs, slushies, and much more. Trading Post Hours of operation will be posted outside the Trading Post and in the leader information upon arrival.

The Camp telephone is used for Camp business and emergencies only. In case of emergency, the number for Camp Buffalo is 574-278-7114. Telephone messages received will be delivered to your pack as soon as possible.

Cub Adventure Camp Schedule & Highlights

Cub Adventure Camp offers a terrific three day/three-night program for Cubs of all ages. Cubs register and attend along with others from their packs or dens. Cubs will spend their days participating in variety of structured activities including BB Guns, archery, swimming, crafts, games, hikes, and evening activities. These activities are designed to provide some advancement opportunities using the Cub Adventures but not all activities will be advancement based. There is no better way to get your Scout's year off to a great start! All Cub Scouts and leaders attending camp will receive a patch and t-shirt as part of their registration fee.

Below is the anticipated schedule of activities at Cub Adventure Camp and a list of possible highlight activities. Some modifications may be necessary. A final schedule will be distributed during the leader's meeting on the evening of Day 1 and updates will be posted to the website and Facebook.

Special program notes:

Morning Fitness and Fishing: NASCAR drivers are in great shape! Come on out and test your fitness skills to see if you have what it takes. Scouts will complete in a series of events to see how they stack up. Skill areas will be determined closer to camp. Not a morning exercise person and you want to chill-ax by the pond, head on over for some morning fishing!

Pit Crew Job Interviews

You will combine your Scout skills and NASCAR pit crew skills in a fun activity to see if your Pit Crew skills are good enough to get you a job on a NASCAR Pit Team. Scouts will work through a series of tasks, for time, and be ranked against other Cub Scouts of the same age to see which Cub Scouts have what it takes to work on Pit Row! This will be an individual Scout activity along with a Gatorade shower!

Lug Nut Challenge / Fill'r Up / Neck and Neck / Help! Medic! / All Jacked Up! / Words to Live By

Buffalo 500

Each Team will work together (in or on) their "car" to navigate a 500-yard race track!

Program Area Tentative Stations and Rotations:

These will likely be adjusted based on event registrations, but this is the general idea. It is based on 100 Cub Scouts and 6 groups (16 Scouts per group). Final schedules will be provided at camp.

General Policies and Practices

Advancement:

It is not the responsibility of the Camp Staff to sign off on any advancement requirements earned in a Scout's book. Many of the activities performed at camp will meet requirements, and we will try to inform adult leaders of these completed requirements. However, the ultimate responsibility lies with the parent or den leader to sign off on a Scout's requirement completions. A report will be given at check out of what advancement related content was covered at camp.

Camp Leadership:

Adult Supervision

Two registered adult leaders 21 years of age or over are required at all Scouting activities, including meetings. There must be a registered female adult leader 21 years of age or over in every unit serving females. A registered female adult leader 21 years of age or over must be present for any activity involving female youth. Notwithstanding the minimum leader requirements, age- and program-appropriate supervision must always be provided.

Cub Scout Programs – Overnight Exception: Cub Scout parents or legal guardians taking part in an overnight Cub Scout program with their own child or legal ward are not required to register as leaders. All adults must review the "[How to Protect your Children from Child Abuse: A Parent's Guide](#)" that can be found in the front of each Cub Scout Handbook. In addition, the parent or legal guardian must be accompanied by a registered leader at any time they are with youth members other than their own child/ward. All other overnight adults must be currently registered in an adult fee required position.

One-on-one contact between adult leaders and youth members is prohibited both inside and outside of Scouting.

- In situations requiring a personal conference, the meeting is to be conducted with the knowledge and in view of other adults and/or youth.
- Private online communications (texting, phone calls, chat, IM, etc.) must include another registered leader or parent.

- Communication by way of social media (Facebook, Snapchat, etc.) must include another registered leader or parent.

Discipline must be constructive.

- Discipline must reflect Scouting's values.
- Corporal punishment is never permitted.
- Disciplinary activities involving isolation, humiliation, or ridicule are also prohibited.

Campfire Safety:

Fires are permitted in your campsite under the following conditions: Fires are laid inside approved fire rings, or inside a fire barrel; The ground is cleared a minimum of 10 feet in and all directions from the fire; Liquid or gas fuels are to be used ONLY in lanterns – never in fires, and never by Scouts (All such fuels must be stored in a locked, ventilated container as indicated by BSA policy).

Campground Etiquette:

Trash should be picked up in the campsite daily. Each day, please bring your trash to the dumpster or designated trash drop-off. NEVER store food in your tents. Instead, store food properly in a secure, air-tight container. Following these rules will help prevent four-legged visitors in your campsite.

Campsite Accommodations:

All Scouts and leaders stay in clean and well-maintained campsites. All campsites have large tarps or shelters over picnic tables to provide shelter in case of rain. Campsite washstands provide convenient drinking and wash water. Private, individual shower facilities are available at the shower house at the pool. All camp facilities are thoroughly inspected to insure the safest possible experience for all campers.

Emergency trips:

It is the responsibility of the unit leadership to provide transportation for members of their units requiring nonemergency attention from a doctor or hospital. One adult from the unit will accompany the camp medical personnel and the youth member requiring services. The leader must ensure the proper health form from the health lodge has been collected before leaving camp.

Leaving Campsite:

After 10:00 P.M. each evening, Scouts should not leave their campsite without a buddy and adult leadership. This includes use of the shower facilities.

Lost and Found:

Lost and Found items will be turned into the Dining Hall. Leaders and parents should encourage Scouts to mark their personal belongings with their name and pack number. Camp management and staff are not responsible for lost items.

Meals:

Meals will be served at the dining hall. All campers are expected to be present at each meal.

Membership:

Make sure all your youth campers are currently registered. Rosters should be submitted with your final payment at camp check-in. Not having rosters ready will cause a delay in the check-in process.

Shower Houses:

Shower house facilities are available at the camp. Please follow Youth Protection Guidelines.

Special Needs:

If you have a Scout or adult leader that has a medical condition that limits participation or requires a special diet, please be sure to note this when registering for camp. Please also notify the Council Service Center of any special dietary needs prior to arrival at camp if possible (collected during the registration process).

Should you have medical needs that limit your mobility around camp, please plan in advance for your transportation around camp. Shuttles will not be provided by onsite staff. Questions regarding this should be directed to the Camp Director.

Travel:

Transportation to and from camp shall be by approved means only. All campers and adults are required to use seat belts. Scouting policy prohibits anyone from riding in the back of pick-up trucks. All drivers must have a valid license and be at least 21 years of age. Observe insurance, safety precautions, and youth protection guidelines as stated in the Guide to Safe Scouting.

Swim Qualifications:

All Scouts and leaders participating in aquatic activities will be tested by the aquatic staff and placed in one of three ability groups: learner, beginner, and swimmer. Scouts who do not satisfy the requirements of the swimmer's test may retake the test as time allows.

Quartermaster:

DAMAGE TO EQUIPMENT AND FACILITIES - All campsites and camp owned equipment will be inspected before checking in and out of Camp. Any damages that occur will be assessed by the camp management and must be paid prior to leaving camp. Damages may include lost or damaged equipment, defacing tents or facilities or damage to the natural environment. Please note and report any damage you detect on your check-in.

Uniforms:

Scouting is a uniformed organization. The official uniform is strongly encouraged for all participants, both youth and adult. Camp will have specific times at which Scouts, and registered leaders should wear their uniforms, dinner and retreat included.

Visitors:

Visitors are welcome during the week anytime. **ALL VISITORS must check-in and out of the Dining Hall** and receive a visitor tag. There is NO formal visitor night for Cub Adventure Camp. Meals for visitors are available at \$8.00 per person per meal payable at the Dining Hall prior to meals.

Camp Security

Adults: In camp will be asked to wear a wristband to help spot non-Scouters in camp. The more closely we follow these procedures, the safer our camp will be for Scouts.

Pack Leaders/Scouters/Scouts: who leave camp at any time – for any reason: MUST stop at the Dining Hall and sign-out. When returning, please stop and sign-in. No Scout will be permitted to leave camp without the permission of a parent or legal guardian. We need to be able to ascertain everyone's whereabouts in the case of an emergency, in camp or at home, or if someone calls from home for an individual who is supposed to be in camp with us.

A Scout: who plans to leave camp at a time other than when their pack is departing MUST:

1. Have a signed Camper Release Authorization form on file at the Dining Hall (turned in during check-in).
2. An adult leader from their pack must be present to sign-out the Scout.
3. The parent or guardian who has come to take the Scout from camp must sign the form. The name of the parent/guardian signing out the Scout must match the name on the Camper Release form.
4. All parties must be present at the time of release. Scouts will not be released to a parent/guardian unless one of his adult leaders is present at the planned time of release. This procedure has been implemented for youth protection and legal liability reasons.

Pack leaders should provide the Scout Office with advance, written notice of any Scout's plan to leave camp early. Leaders must always be able to account for all the Scouts within their pack.

Youth Protection Guidelines

The following policies have been adopted to provide security for the youth in our programs. In addition, they serve to protect adult leadership from situations in which they are vulnerable to allegations of abuse.

Two-Deep Leadership: Two registered adults (who must be at least 21 years of age or older), or one registered adult leader and a parent of a participant, are required on all trips and outings. The Chartered Organization is responsible for ensuring that sufficient leadership is provided for all activities. At least two leaders must be with the pack 24 hours a day. Leaders may rotate but they must also sign in and out at the Dining Hall.

No One-to-One Contact: One-to-one contact between adults and youth members is not permitted. In situations that require a personal conference, the meeting is to be conducted in view of other adults and youth.

Respect of Privacy: Adult leaders must respect the privacy of youth members in situations – such as changing into swimming suits or taking showers at camp – and intrude only to the extent that health and safety requires. Adults must also protect their own privacy in similar situations. When camping, no youth is permitted to sleep in the tent or cabin of an adult other than their own parent or guardian. Limited, separate shower and latrine facilities for females are provided, and when separate facilities are not available, times for male and female use should be scheduled and posted.

Abuse: Adult and unit leaders are not to use physical, mental, or verbal abuse on any individual. This includes any threatening manner toward any youth or other person. Camp Buffalo is a SAFE SPACE for all who visit. Any actions or suspected behavior of this type is to be reported immediately to the Reservation Director. All registered adult members are considered mandatory reporters. It is the policy of the Boy Scouts of America that suspected abuse of any kind be reported to the appropriate authorities.

Youth Protection Training is available online, and all adults attending are expected to have completed the training before attending camp. YPT refresher courses will be available at camp for adults who would like to take it.

Prohibited at Camp

Alcohol:

The possession or use of alcoholic beverages is prohibited in camp. Those unwilling to abide by this policy will be required to leave camp immediately. Leaders, please inform parents of this so they are aware of this policy.

Firearms and Archery Equipment:

Firearms and archery equipment are prohibited in camp anywhere except the designated shooting sports areas. Personal firearms and archery equipment are not allowed at camp. This is a BSA national policy. Ammunition may not be brought to camp. Ammunition for the shooting sports area is issued only at the range.

Illegal Drugs:

The possession or use of illegal drugs is prohibited. Offenders will be escorted off camp property immediately.

Other Items:

The following list contains other items prohibited in camp: pets, fireworks, motorcycles, and un Scout-like literature. This list is not comprehensive. Please reference the Guide to Safe Scouting for other prohibited items.

Tobacco:

Please refrain from using tobacco in camp. Remember the 11th point of the Scout Law (a scout is clean). No Smoking on the trails or in any tent. Smoking is prohibited in all buildings. Leaders set the example.

Vehicles in Campsites:

Vehicles will not be allowed in camp except for during the check-in and check-out procedures. VEHICLES ARE TO BE RETURNED TO THE PARKING LOT. Only emergency and service vehicles will be allowed to enter camp during the week.

For Parents Regarding Homesickness

It is not unusual for Scouts to develop homesickness during a session of camp. Research and experience have shown several ways to help boys and girls make the most of their time away from home:

- Leave cell phones at home, or at least leave them with the Unit Leader 'for emergency use only'. Scouts need to be able to participate in all the fun that camp has to offer and develop self-confidence away from home. The cell phone offers a 'lifeline' to home, friends, etc. that diminishes that opportunity.
- Encourage your son or daughter to try new things and get involved prior to camp and in mail/email messages during the week. Tell them how much fun you know they will have at camp and how proud you are of them. Avoid comments like "I don't know what I'll do without you", "the dog has whined at your door all week", etc.
- Do not make pick-up deals. If a Scout is told that they will be picked up if they become homesick, several things have occurred:
 1. The idea has been planted that they might become homesick
 2. They have been subliminally told that they can't handle the separation
 3. They have been given an easy out, rather than an opportunity for personal growth.
