Leader/Parent Guide
Classes for Cub Scouts, Scouts, Leaders, and
Parents

Welcome to the Sagamore Council University of Scouting!

On behalf of Sagamore Council and the 2023 University of Scouting staff, we welcome you to this years' event presented by Subaru of Indiana Automotive, Inc.

The University of Scouting is a single day training event designed to help you improve your knowledge about many areas of the Boy Scouts of America and its programs. We have designed an event packed with fun, ideas, and fellowship. We hope that you take this opportunity to meet and share ideas with other Scouters and Scouts from all over our council and beyond. This event is a great chance to meet up with old friends, make new ones, and get energized about Scouting! If there is only one event you attend all year—this is one event you do not want to miss!

For Scouts BSA Scouts, we are offering a variety of merit badges across many disciplines to give Scouts a wide variety of badges that they can work on and likely complete that day.

For Cub Scouts, this is your chance to earn some of your age-appropriate adventures and get a kick start on your advancement for the year.

Whether you're a Scout, an Adult Leader, serve on a Council committee, or just a parent of a Scout at University of Scouting you can find something: a class, a merit badge, support from fellow scouters, or an opportunity to reconnect with a friend, which will help make you a better Scout, a better leader, or enhance your Scouting program. We hope you will take the opportunity to experience everything we have put in place, and most of all, we hope it re-energizes you for another great year!

Following is the catalog of classes offered this year at University of Scouting. We have expanded the course offerings with the hope that everyone can find something of interest to help enhance your own Scouting programs. You will find many old favorites and some new classes that will engage your sense of adventure, satisfy a curiosity, and get you energized! So, please browse the list of classes, and sign up before they fill up!

An event of this size takes dedication and hard work on the part of many exceptional volunteers. We have been fortunate to work with a committee of Scouters who share a deep love and commitment to the Boy Scouts of America and its programs. Thank you to each of them for sharing their time, their vision and passion with us and with other Scouters.

Finally, we especially want to thank YOU for the time you put into Scouting, please know that you are making a difference, after all, It All Begins With ... U.

Welcome to University of Scouting 2023!!

Yours in Scouting,

Diane Carman

Council VP of Advancement

Registration Procedures:

Early registration is highly encouraged for all participants since many classes fill up quickly and class sizes are limited, especially for merit badges. Adults that are taking classes must pre-register as well. Pre-registration will be available from 8/1/2023 through 10/15/22 for \$20. On October 16, the cost will go up to \$30 and will close at 11:59 PM on Monday, November 20 2023. No late registrations will be accepted after November 20th. Scouts can register themselves or the Unit can register them. If you have registration issues, please contact Emily. Wheeler Scouting.org or by calling the Hingst Service Center at 765-452-8253. No day of registrations will be accepted. There is an option in Black Pug to import you roster so that the finer details of each participant is easier to input. We suggest doing that so you don't have to reference/remember the following items for each Scout that will be required for registration: Information needed for each participant:

Scout Name, Gender, Rank, Birth Date, and Email Address (their own email or a parent's email address is preferred so that we can send class schedules. Please do not use the same email address or just the leader's email address for all Scouts). If you use the roster feature, the Scouts' information will auto-populate.

How to register:

- 1. Go to: https://scoutingevent.com/162-2023 UofSFall
- 2. Click Register and then click "Continue as Guest" or "Login" (For people who have previously used this system)
- 3. Enter quantity of participants (youth or adult) and then submit
- 4. Under the registrant tab and each participant tab, click Update Information to enter all the required information to complete the registration.
- 5. After all required information is entered, click on the "Check Out" tab to continue to the payment screen.
- 6. Enter all payment information and then click "Book Registration" to complete your registration.

We will do our very best to keep our schedule as printed in this catalog; however, due to instructor availability, class limitations and circumstances beyond our control, we may find it necessary to reschedule or cancel a class especially with the ongoing changes in operations due to the coronavirus. We will post notification of such changes on the day of the event and communicate prior if possible.

Adult Training Course Descriptions

QUESTION, PERSUADE, REFER: A Suicide Prevention Training

Question, Persuade, Refer. Three steps anyone can learn to help prevent suicide. Just like CPR, QPR is an emergency response to someone in crisis and can save lives The QPR mission is to save lives and reduce suicidal behaviors by providing innovative, practical and proven suicide prevention training. We believe that quality education empowers all people, regardless of their background, to make a positive difference in the life of someone they know. 2-hour course. (70-person max capacity)

Introduction to Leadership Skills for Troops (ILST)-The purpose of the ILST course is to teach Scouts with leadership positions about their new roles and how to most effectively reach success in that role. It is intended to help Scouts in leadership positions within their troop understand their responsibilities and to equip them with organizational and leadership skills to fulfill those responsibilities. ILST is the first course in the series of leadership training offered to Scouts and is a replacement for Troop Leadership Training. Completion of ILST is a prerequisite for Scouts to participate in the more advanced leadership courses National Youth Leadership Training (NYLT) and the National Advanced Youth Leadership Experience (NAYLE). It is also required to participate in a Kodiak Challenge Trek.

Den and Pack Meetings for Beginners- Are you in over your head? We can relate, we have all had new jobs or new roles that we weren't quite sure how we were going to manage them, but you we were willing to help when someone asked. Come get the 411 on how to not only keep your head above water as a new den or pack leader, but how to thrive in your new role.

Coffee with a Cubmaster!- Open Forum Q/A with an amazing Cubmaster to help you overcome any barriers or roadblocks to your success as a Pack Leader. - Is your unit struggling with keeping Scouts in the program? Do you have a revolving door of leaders? Is the feeling of Scouting just very vanilla? Come learn how to ensure that you are running a quality unit that is designed to keep Scouts on their path to becoming Eagle Scouts!

Order of the Arrow and My Troop and OA Troop Representative Program and Unit of Excellence; What Is it and how can I start?- For over 100 years, the Order of the Arrow (OA) has recognized Scouts and Scouters who best exemplify the Scout Oath and Law in their daily lives. This recognition provides encouragement for others to live these ideals as

well. Arrowmen are known for maintaining camping traditions and spirit, promoting year-round and long term resident camping, and providing cheerful service to others. OA service, activities, adventures, and training for youth and adults are models of quality leadership development and programming that enrich and help to extend Scouting to America's youth. Come learn how to maximize the OA in your Troop in this back to back class chalked full of OA knowledge.

Navigating 1st Class to Eagle can be a tricky process; there are leadership positions, time in rank, merit badges, service projects, paperwork, and more! This 3-hour (AM Block) will help map out that journey and answer your questions along with giving you a roadmap to achieving the rank of Eagle Scout. Scouts that take this course will have the PM Block only available to complete a merit badge.

National Youth Leadership Training 2024 Promo Session – National Youth Leadership Training is an exciting, action-packed program designed for councils to provide youth members with leadership skills and experience they can use in their home troops and in other situations demanding leadership of self and others. The NYLT course centers around the concepts of what a leader must BE, what a leader must KNOW, and what a leader must DO. The key elements are then taught with a clear focus on HOW TO. The skills come alive during the week as the patrol goes on a Quest for the Meaning of Leadership.

NYLT is a six-day course. Content is delivered in a troop and patrol outdoor setting with an emphasis on immediate application of learning in a fun environment. Interconnecting concepts and work processes are introduced early, built upon, and aided by the use of memory aids, which allows participants to understand and employ the leadership skills much faster. We will be having a course in fall of 2024; October 25-27 and November 1-3. SAVE THE DATE NOW and plan to send your SPL or ASPL to the best leadership training for Scouts!

Tenderfoot to Life Board of Review Training – You have to do them, but how do you do it? Come learn some best methods on how to conduct non-Eagle Scout Boards of Review.

How to Host a Camporee – From time to time your Troop/Crew may be asked to be the host unit for a camporee or klondike and you might not know what goes into hosting that event, come learn the ins and outs of hosting one of these district or council events and just how easy it is!

Den Leader Position Specific Training – The Den Leader Position-Specific Training course provides Cub Scout den leaders with the basic information they need to conduct successful den meetings.

Scoutmaster/Assistant Scoutmaster Training – The purpose of Scoutmaster Position-Specific training is to provide an active, fun, and positive learning experience for new and experienced Scoutmasters to learn and apply proven techniques for running an effective Scouts BSA troop. Scoutmasters will learn how to meet the aims of Scouting by applying the eight methods of the Boy Scouting program during the four main sessions of the course: • Patrol Method • Support Team • Advancement • Annual Planning

Show to Host a Merit Badge Skill Center – Providing Scouts with Merit Badge opportunities throughout the course of the Scouting year is a vital step in the advancement process. Come learn the best methods behind offering a merit badge skill center for a badge that you are qualified to teach and how to get the most benefit when serving your Scouts.

Duty to God: How to incorporate the religious emblems program into my unit – Come learn from the CEO of PRAY how to best incorporate the religious emblems program into your Pack and Troop.

We are adding a series of Elective Cub Scout Adventures.

We want to offer 3 adventures (2 hours each) for each rank minus Lions.

No programming at this time for Lions.

Classes would go from 9-11, 11-2 (12-1 is lunch), and 2-4 PM.

A Cub Scout would register for the event and be automatically inserted into the three class offerings for that rank for the day. Maximum capacity is 12 Scouts per class.

These classes would be primarily in a college classroom unless the class needs to go outside for a portion of it remembering that it is December, and it will likely be chilly. Tigers must have a parent on site with them at the event. Parents do not have to register for the event, but will have to order a meal ticket for \$10 if they intend to eat lunch.

SUBARU of INDIANA AUTOMOTIVE, INC.

All participants will complete a short Leave No Trace Workshop during the opening ceremony of the event sponsored by Subaru of Indiana Automotive, Inc.
