

Great facilities available year-round

Camp Buffalo has many facilities for your use. Our air-conditioned dining hall facility, Shideler Hall, seats 300 persons and the multi-purpose building, Beasy Hall, offers meeting rooms, several bunk rooms, a small kitchen, and indoor individual bathrooms. Camp Buffalo also has two heated cabins with bunk beds: Winter Quarters (sleeps 24) and Ivey Lodge (sleeps 25). Our large campfire ring, quiet chapel area, large activity field, and rustic nature lodge are surrounded by 14 campsites and miles of trails.

Camp Buffalo also has an excellent shooting sports facility, a new outdoor swimming pool, a mountain bike trail, and our ever-expanding Liberty Lake for fishing and canoeing. Our two wetlands provide a great location for wildlife and conservation lessons.
