### Archery

Archery is a fun way for Scouts to exercise minds as well as bodies, developing a steady hand, a good eye, and a disciplined mind. This merit badge can provide a thorough introduction to those who are new to the bow and arrow - but even for the experienced archer, earning the badge can help to increase the understanding and appreciation of archery.

**Maximum number of participants: 8**

**Prerequisites:** Close-toed shoes required; Crocs are NOT sufficient.

Time during open range time may be needed to complete the merit badge.

Days: Mo Tu We Th

### Bird Study

Birds are among the most fascinating creatures on Earth. Many are beautifully colored. Others are accomplished singers. Many of the most important discoveries about birds and how they live have been made by amateur birders. In pursuing this hobby, a Scout might someday make a valuable contribution to our understanding of the natural world.

**Maximum number of participants:** 10

Days: Mo Tu We Th

**25SC6** 2-3 PM

### Browsea Swimming

\*This class is recommended for non-swimmers. See classifications below.

Our swimming programs are designed for 3 different level swimmers:

1. Non-swimmers: a Scout who should take instructional swim (Browsea Island is recommended for newer Scouts or Instructional Swim for experienced Scouts that don't have experience in the water).
2. Beginner swimmers: a Scout who can swim and has some kind of experience in the water.
3. Expert swimmers: a Scout who can swim in different conditions, by themselves and without help, can name different swim strokes, can swim long distances without a break, etc.

#### Ability Groups

All youth and adult participants are designated as swimmers, beginners, or non-swimmers based on swimming ability confirmed by standardized BSA swim classification tests. Each group is assigned a specific swimming area with depths consistent with those abilities. The classification tests must be renewed annually, preferably at the beginning of the season even if the youth has earned the Swimming merit badge.

Anyone who has not completed either the beginner or swimmer tests is classified as a non-swimmer. The non-swimmer area should be no more than waist to chest deep and should be enclosed by physical boundaries such as the shore, a pier, or lines. The enclosed beginner area should contain water of standing depth and may extend to depths just over the head. The swimmer area may be up to 12 feet in depth in clear water and should be defined by floats or other markers.

Days: Mo Tu We Th

### Camping

Camping is one of the best-known methods of the Scouting movement. When he founded the Scouting movement in the early 1900s, Robert Baden-Powell encouraged every Scout to learn the art of living out-of-doors. He believed a young person able to take care of himself while camping would have the confidence to meet life's other challenges, too.

### Fingerprinting

In earning the Fingerprinting merit badge, Scouts will learn about and use an important technique that is used by law enforcement officers, along with other materials like matching dental records and DNA sampling, to help identify amnesia victims, missing persons, abducted children, and others.

**Maximum number of participants: 12**

**25SC19** 2-3 PM

Days: Mo Tu We Th

### Fire Safety

The ability to use fire safely is essential to human survival. By earning this merit badge, Scouts will learn to use fire safely and responsibly, how to prevent home fires, and how to handle fire safely, as well as burn prevention, and camping safety.

**Maximum number of participants: 12**

**25SC20** 9-11 AM

Days: Mo We Fr

### First Aid

First aid - caring for injured or ill persons until they can receive professional medical care - is an important skill for every Scout. With some knowledge of first aid, a Scout can provide immediate care and help to someone who is hurt or who becomes ill. First aid can help prevent infection and serious loss of blood. It could even save a limb or a life.

**Maximum number of participants: 12**

**Prerequisites:** Highly recommended for Scout to have completed First Class Rank.

### Geocaching

The word geocache is a combination of "geo," which means "earth," and "cache," which means "a hiding place." Geocaching describes a hiding place on planet Earth - a hiding place you can find using a GPS unit. A GPS (Global Positioning System) unit is an electronic tool that shows you where to go based on information it gets from satellites in space.

### Geology and Weather

Geology is the study of Earth. It includes the study of materials that make up Earth, the processes that change it, and the history of how things happened, including human civilization, which depends on natural materials for existence.

Days: Mo Tu We Th

Meteorology is the study of Earth's atmosphere and its weather and the ways in which temperature, wind, and moisture act together in the environment. In addition to learning how everyday weather is predicted, Scouts can learn about extreme weather such as thunderstorms, tornadoes, and hurricanes, and how to stay safe.

**Maximum number of participants: 12**

**25SC25** 10-11 AM

### Insect Study

In earning the Insect Study merit badge, Scouts will glance into the strange and fascinating world of the insect. There, they will meet tiny creatures with tremendous strength and speed, see insects that undergo startling changes in habits and form as they grow, and learn how insects see, hear, taste, smell, and feel the world around them.

Days: Mo Tu We Th
