Letter from Camp Director

Hi Cub Scout Families!

My name is Erin Nemeth and I will be volunteering as the 2026 Peshewa District Day Camp Director. Our District Executive Faith Renken and myself are very excited go back in time to when the dinosaurs roamed, also know as the 2026 Dino Day Camp! We're excited to bring you a day of fun filled activities since we haven't been able to host this program since COVID.

We look forward to our day of activities at both locations including an exciting escape room, STEM Activities, Shooting Sports, and other dino themed surprises! Despite similar theme and some activities, there will be some differences between the two camps in our area, but both will be equally exciting and offering equal opportunities for your scouts!

We firmly believe in keeping the "Outing" in "Scouting" and are excited to offer this renewed opportunity for your scouts!

Please feel free to reach out if you have any questions about the 2026 Peshewa District Day Camp.

Jurassically yours,

Erin Nemeth
