I understand there is a day of required training and camp set-up before Cub Day Camp (June 8th 8am-3pm), and the dates for Cub Day Camp are: June 9-12, 2026, at Camp Topenebee. T-TH 7:30am-3:30pm, Friday staff breakfast 8:30am, closing cleanup 6:30pm. To follow the guide to safe scouting, youth must make every attempt to be present for the entire duration of camp. They are expected to be paired with buddies by the directors and travel through camp as such.
