WEBELOS WEEKEND

DATES AND TIMES

July 5-7, 2024 @ Camp C.S. Klaus

Check-In: Friday @ 1:00pm

Depart: Sunday @ 9:00am

FEES & REGISTRATION

The cost of this camp is \$150.00 per Cub Scout if paid by May 15, 2024. After May 15th the fee changes to \$170.00 per Scout. Adult leaders/parents/guardians are \$65.00 per person. Registration is limited to 160 total campers, including both youth and adults, and is taken on a first-come, first-serve basis. Each camper (both youth and adult) in attendance will receive a patch.

WHO SHOULD ATTEND?

This summer camp experience is exclusive to Webelos Scouts (children entering 4th or 5th grade).

LEADER/PARENT-TO-CHILD RATIO

For this three-day, two-night camp, each pack must provide at least two registered adult leaders with current Youth Protection Training and maintain a 1:4 Leader to Scout ratio. Packs must work this out as families are sending in registrations – we will not keep track of whether packs are satisfying this ratio at the Council Service Center. If children show up without the minimum number of leaders, they may be sent home. Packs are always encouraged to send more than the minimum number of leaders. Or a Scout may attend one-on-one with their parent/guardian. If the adult is not a parent or legal guardian of the child, they may not share a tent with the child.

DRESS CODE

The Northeast Iowa Council encourages all campers to dress comfortably while they are at camp. Campers should use their best judgement to dress appropriately and not wear anything that would make other campers feel uncomfortable. When packing for camp, the following dress code items should be adhered to:

- **Clothing** should not include profanity or images that do not support the Scout Oath and Law
- Proper undergarments should be worn
- **Pants and shorts** must
 - completely cover undergarments
 - not allow for exposure of the buttocks
 - stay up without the use of hands
- **All shirts** must
 - have wide straps or cover the shoulders - no "spaghetti straps"
 - not be see-through or expose the side of the body
 - be worn at all times outside of the aquatics area or shower house
- **Closed-toed shoes** must be worn at all times except while in the aquatics area, shower house, or as deemed safe by the Camp Director. At no time should a camper be barefoot unless in the designated Aquatics areas, the shower or in their tent.

Scouts will be asked to wear the Scout field (class-A) uniform to flag lowering, dinner, and at campfires.

Swimwear should be comfortable, functional, and appropriate for the specific aquatic activity. All Swimwear should follow these guidelines:

- clean
- designed as swimwear
- appropriate and safe for the activity
- secure enough to not shift or fall off while participating
- t-shirt or additional layer such as a rash guard may be allowed if it does not hamper movement in the water

For males: swim briefs or swim bottoms short enough to allow exposure are not allowed.

Appropriate swimwear may include swim trunks or board shorts.

For females: bikinis or swim wear that allows exposure are not allowed. Appropriate swimwear may include tankinis or one-piece swimsuits.

As always, we remind everyone that Scouting's Barriers to Abuse state, "Appropriate attire is required for all activities". Our policy reflects the BSA's statement and commitment to diversity, equity, and inclusion and are based on health & safety, dignity, and respect. These guidelines pertain to all ages, genders, and apply to Scouts, Scouters, staff, visitors, and family members.

CAMP C.S. KLAUS FACILITIES

Each campsite will be responsible for equipment provided for their use by the camp. Any damage to equipment because of abuse, whether willful or as a result of negligent or imprudent practices, will be charged to the individual or Pack.

LOST AND FOUND

The camp lost and found box will be located at the Camp Office. Leaders and parents need to remind Scouts to have their personal effects marked with name and pack number. Each Scout needs to take care of, and safeguard, their personal property. Do not take valuables to the program areas or leave them lying unattended around camp. Camp is not liable for any lost items.

HEALTH LODGE

A qualified Health Officer is on duty at all times. In the event of serious accident/illness, the person will be taken to a clinic or hospital in Manchester, Iowa. Parents will be informed if the Scout needs extensive care.

SHOWER HOUSES

Each shower stall has its own entrance and is private.

MAINTENANCE OF CAMP PROPERTY

CAMP C.S. KLAUS DINING

MEALS IN MUNTER LODGE

Camp C.S. Klaus is known for its plentiful and mouthwatering meals. All meals will be served buffet style, at the times found in the schedule. Menus have been carefully planned by our camp cook and have been approved by a registered dietician. Tentative menus can be found on pages 5 & 7.

If anyone has special medical dietary restrictions, please notify the Council Service Center when you register for camp so reasonable accommodations may be made. Any Scout with special dietary medical restrictions should also introduce themselves to our camp cook and clarify or confirm any necessary accommodations before the first meal.

HEALTH & SAFETY POLICIES

ACCIDENT AND SICKNESS INSURANCE

The Northeast Iowa Council, Boy Scouts of America currently provides accident and sickness insurance for campers registered within the Northeast Iowa Council. The insurance is secondary to the camper's primary medical insurance. If they don't have insurance, the BSA insurance becomes primary. For all out-of-council campers, insurance is the responsibility of the troop and the Scout's parents unless otherwise covered by their home council. All accidents and illnesses must be reported to the Health Officer and recorded in the Camp Health Log so that we can document care in support of insurance claims. Records will be maintained in the Health Lodge and signed by the staff member in charge of Health and Safety.

ANNUAL HEALTH & MEDICAL RECORD

The Annual Health and Medical Record is required for all Cub Scout activities, with sections A & B completed for youth and adults in attendance. This will be turned in at check-in and can be picked up at check-out. Medical forms are not kept at the Council Service Center and will be destroyed after check-out. The Official BSA Annual Health & Medical Record can be found at <https://www.scouting.org/health-and-safety/ahmr/>.

MEDICATION - DOCTOR PRESCRIBED

If a camper must take doctor prescribed medicine this must be turned into the Health Officer and will be kept under strict supervision. Written instructions must be included with the Scout's name, medication name, time to be administered, and quantity to be administered. The Allergies/Medications Consent Section on Part B of the BSA Annual Health & Medical Record MUST be filled out by a parent/guardian and turned in at check-in. Cubmasters/Den Leaders/parents/guardians can also choose to keep track of medications and administration times after talking with the Camp Health Officer. Any medication that needs to be refrigerated will be kept in the Health Lodge.

If a camper must take or carry on self-administered medicine such as an Epi-Pen or an inhaler, the parent MUST check "Yes" or "No", authorizing your Scout to take or carry self-administered medicine at all times. This can be found under the Allergies/Medications Consent Section on Part B of the BSA Annual Health & Medical Record.

MEDICATION - OVER-THE-COUNTER/NON-PRESCRIPTION

Several non-prescription medications are available at the Health Office. By signing the Allergies/Medications Consent Section on Part B of the BSA Annual Health & Medical Record, you are allowing the Health Medical Officer to dispense any over the counter/non-prescriptions to your Scout at camp.

HEALTH & SAFETY POLICIES CONTINUED

DISCIPLINE

The Unit Leaders/parents are responsible for the discipline and order of their own Scouts. The Camp Staff will not assume the responsibility for, or interfere with, unit/parental discipline unless it directly involves the health and safety of youth or the Unit Leaders/parents are not present at the time of the problem. The Camp Director will be apprised of any problem by the staff member and will refer them to the unit leader/parent. No arrangements may be made to send a Scout home before informing the Camp Director of the situation. The Youth History Release form is required for a Scout to leave camp. No initiations or hazing are permitted in camp.

FEMININE HYGIENE

While Scouts and adults are responsible for their own necessary hygienic supplies, we acknowledge that unexpected situations arise. Campers may expect dispensaries discreetly located in restrooms throughout camp.

OUTDOOR HAZARDS

In any trip to the outdoors the camper may encounter biting insects and poisonous plants or animals. Each parent should familiarize themselves and their youth with poisonous plants and biting insects, especially poison ivy and mosquitos. The effects of poison ivy, ticks, etc., can be minimized with good personal practices. All injuries of this type should be reported to the Camp Health Officer for treatment and recording.

WEATHER EMERGENCIES

In the event of impending severe weather, campers will be notified by program area staff and campsite counselors. The Camp Ranger will drive a vehicle through camp to notify campers. Staff will instruct the camp sites to proceed to the nearest severe weather shelter. There are three concrete weather shelters located on the hill near the campsites, as well as in the basements of Munter Lodge, Visitor Center and Health Lodge.

In the event of sudden, severe weather, the siren will sound continuously. All campers shall take cover immediately in a ditch or other low area. The all clear signal will be a series of on and off siren calls. Everyone should report to the Parade grounds so Campsite Counselors can account for all campers and leaders following the all clear signal.

HEALTH & SAFETY POLICIES CONTINUED

FIREGUARD PLAN

In case of fire, the Camp Director is to be notified immediately. The Camp Director will contact the Fire Department. All campers are requested to stay clear of the fire area. The Camp Ranger will travel throughout the camp with the vehicle's horn blowing. All Scouts and adults will report to the Parade Ground flagpole area. Leaders should assemble their Scouts in a safe area and take a roll call.

OPEN FLAMES

No open flame is to be used in a campsite with the exception of campfires or cooking fires that are attended while they are burning. Open flames (i.e. candles, sterno, kerosene lanterns, etc.) are strictly prohibited in tents.

FIREARMS, AMMUNITION, BOWS AND ARROWS, SHEATH KNIVES

The camp will have available all bb guns, ammunition, and bows and arrows needed for use as part of the camp program. Personal equipment and ammo is not allowed in camp. Non-folding sheath knives are not allowed by anyone at camp. Absolutely no types of weapons are allowed at camp.

SMOKING, ALCOHOLIC BEVERAGES, ILLEGAL DRUGS

Alcoholic beverages/ illegal drugs /tobacco/vaping of any type will not be tolerated in the council camps. Possession by anyone in attendance will result in immediate dismissal from the camp property. There will be no refund of unused camp fees.

PETS

Pets are NOT permitted at camp. This applies to both campers and visitors. The only exception is service animals. Any animals visiting must be discussed with camp leadership prior to arrival at camp.

AUTOMOBILE POLICY

All cars/trucks must be parked and remain in the central parking lot. NO ONE is to ride in the back of a truck. All riders must be in the cab. This includes transportation of Scouts to and/or from camp.
