LEADER FEES

It is the National Policy of Scouting America that there must be at least two registered adult leaders over 21 years of age for every troop trip or outing. Two leader fees are paid by the \$320 deposit required with a troop's reservation and is non-refundable. Each additional leader attending camp with your troop pays the \$160 leader fee. Leaders are those currently registered with your unit who are at least 18 years of age or older with current Youth Protection Training. Outside of adults dropping off Scouts, picking up Scouts, or visiting on Visitor's Night, **all adults at Camp C.S. Klaus need to be registered with the unit they are a camp leader for, including Troops sharing leadership.**

Registration includes the completion of an adult application, criminal background check (CBC) and Youth Protection Training before the activity (CBCs take a week or more and cannot be expedited).

CAMP FEES

DISCOUNT FOR SIBLINGS

The fee for the second sibling that attends will be \$10 less than the camp fee, the third sibling \$20 less than the camp fee, and the fourth sibling \$30 less than the camp fee.

CAMPERSHIPS

No Scout should miss out on the opportunity to attend camp because of financial circumstances. Troops should make provisions in their planning to help youth earn money through unit fund raising projects to ensure that they can attend camp. The Northeast Iowa Council has some funds to help Scouts attend camp. All campership information is kept confidential. Campership funds are limited and are available for no more than 1/2 of the camp fee to NEIC Scouts only. Campership applications are found on the council website (www.scoutsiowa.org/scout-camp/), and are due by April 15, 2025.

CANCELLATIONS

If it is necessary for a Scout or Leader to cancel a summer camp reservation prior to coming to camp, the refund request can be reviewed by the council camping committee by filling out a Hardship Application (found at: scoutsiowa.org/scout-camp/). The form must be filled out and submitted to the Council Service Center no later than August 30, 2025. **Fees are not refundable for homesickness, and are only available in cases of emergency.**

CHECK-OUT

UNIT CHECK-OUT

Units will choose a check-out time for Saturday morning at the Friday leader meeting. Check-out is subject to the completion of the following check-out procedures and approval by the Camp Ranger and Camp Director.

1. All equipment checked out from the Camp Ranger must be returned clean and complete Friday evening or Saturday morning.
2. An inspection of the campsite must be conducted by the Campsite Counselor and Senior Patrol Leader. Any damages found must be reported to the office for clearance before the troop packet may be received.
3. The adult leaders must settle any outstanding financial accounts by the end of the week-long session at camp. These cannot be charged against unit accounts at the Council Service Center or against anticipated refunds due.
4. Finally, make certain you receive the packet containing medical forms and patches, as well as any medication from the Health Officer.

INDIVIDUAL CHECK-IN/CHECK-OUT

Outside of unit check-in and check-out, all Scouts and leaders that either arrive or leave camp during the week must check-in or out through the Camp Office. Scouts leaving must have a written release approved by the troop leader and present it to the Camp Director. A "Youth Release Form" is required before check-out.

TROOP LEADERSHIP

TROOP LEADER MEETING

Scheduled each morning after breakfast on the porch of the Camp Office.

TROOP LEADERSHIP

Each troop in camp must be under the leadership of at least two unit registered adults, two of whom must be at least 21 years of age or older with current Youth Protection Training.

Each leader staying in camp must be registered with the unit they are staying with, including Troops sharing leadership, and have Scouting America's Annual Health & Medical Form (including part C) on file in the Camp Health Lodge or with the Health Officer.

WHILE AT CAMP

- Extra leaders in a troop are needed to supervise and help instruct the BASE Camp program. Leaders are also invited to help with any area in camp.
- If a leader has a special skill, or knowledge, and would like to assist or train, call the Council Service Center to express interest, or see the Camp Director during the week. Leaders are encouraged to volunteer to assist Program Area Directors in conducting merit badges in which they have a comfortable level of knowledge or skill.
- Leaders may also use their time in service projects essential to Camp Klaus. If interested, contact the Ranger or Camp Director during the week.

CAMP SECURITY AND VISITORS

For the safety of all campers, ALL VISITORS MUST CHECK IN AND OUT at the Camp Office. If you see an unauthorized person in camp, inform the Camp Director immediately. Do not try to engage the individual.

Outside of adults dropping off Scouts, picking up Scouts, or visiting on Visitor's Night, all adults at Camp C.S. Klaus need to be registered with Scouting America. Registration includes the completion of an adult application, criminal background check (CBC) and Youth Protection Training (CBCs take a week or more and cannot be expedited).

DAMAGE TO EQUIPMENT

Each unit will be responsible for equipment provided for their use by the camp. Any damage to equipment because of abuse, whether willful or as a result of negligent or imprudent practices, will be charged to the troop.

POINTS OF NOTE BEFORE YOU ARRIVE

CAMP HOUSING

Camp C.S. Klaus provides the following at each campsite: two-person tents on wooden platforms, cots (2 per tent), flagpole, latrine-washstands, picnic tables, and a fire ring. The standard for sleeping is 30 square feet per camper in each tent. Troops wishing to bring their own tents may do so as long as it meets BSA standards for size and safety, and there is enough space in the campsite. Tent platforms are not to be moved off their foundations! Those using their own tents must inform the Camp Commissioner and obtain a tag to hang on their tent while using the tent at Camp C.S. Klaus.

Leaders, male or female, camp with their units only in their assigned campsite. Adults cannot be guaranteed their own tent during camp. Please remember that all Scouting America Privacy Standards must be followed when it comes to the sharing of tents. Examples: Youth sharing a tent must be of the same gender and not be more than two years apart in age, even if the youth are siblings. An adult may only share a tent with their same gendered child. Adults of opposite genders may only share tents if they are married.

Campsites may be reassigned as needed to accommodate troop sizes. Should units need to share campsites, male and female troops will not be mixed. An exception will be made in the case of those troops who share a charter organization. Unit leaders are always responsible for following Guide to Safe Scouting and Youth Protection guidelines.

No facilities or space are available for use of personal camper-type vehicles.

Camping in vehicles in the parking area is prohibited.

LOST AND FOUND

The camp lost and found box will be located at the Camp Office. Leaders need to remind Scouts to have their personal effects marked with name and troop number. Each Scout needs to take care of and safeguard their personal property. Please do not bring valuables to camp. Camp is not liable for any lost or stolen items.

QUARTERMASTER SUPPLIES

Toilet paper, trash bags, and various tools and equipment may be obtained from the Campsite Counselor. All tools checked out will be charged to your unit if they are not returned. In case of damage to camp equipment the troop or individual will be responsible for payment of repairs or replacement before leaving camp on Saturday.

SHOWER HOUSES

Each shower stall has its own entrance and is private. If a large amount of Scouts from your campsite are showering at one time, an adult leader is strongly encouraged to accompany Scouts. Usage of phones or cameras in or near the shower house is strictly prohibited. Inappropriate behavior may lead to immediate dismissal from camp.

SCOUTS OR ADULTS WITH DISABILITIES

We do our best to accommodate any Scouts or adults with disabilities. Please inform the Council Service Center of any restrictions or accommodations needed at the time of sign up. While we do our best, not all restrictions or accommodations are able to be met. Summer camp is a primitive environment with many physical and mental demands including extensive walking and steep trails, so please consider that prior to signing up. Gator rides may be offered on a limited and case-by-case basis to campsites and distant program areas.

MAINTENANCE OF CAMP PROPERTY

The Camp Ranger and Council Properties Committee will work with the Camp Director to maintain the facilities of Camp C.S. Klaus. In the event you discover the need for repairs (i.e. broken board on a tent platform), please report the problem to the Camp Commissioner.

TROOP & CAMPSITE INFORMATION

SENIOR PATROL LEADER(SPL)

The SPL should stay current on all special activities in camp and keep the Patrol Leaders informed of them. The SPL fulfills the leadership role in camp the same as in the year-round program, seeing to it that the patrols get maximum fun and benefit from their week at camp.

PATROL LEADERS

Patrol Leaders involve their patrols in special events, camp service projects, campsite housekeeping, and regular patrol duties assigned by the troop.

TROOP TRAILERS

Troops are welcome to bring their trailers to camp. Each trailer will be hauled to the campsite by a designated staff member. For this reason, troops should limit their equipment to only items that will be used at camp. Please help decrease the weight in your trailer so coming back down the hill is not dangerous for our staff. Please note that if your trailer is deemed too large for our equipment or roads, you may be asked to transfer your equipment to the camp truck for transportation to the campsite. Please contact camp leadership for questions and specifications.

COOKING IN CAMPSITES

There will be three meals cooked in the campsites, scheduled for Tuesday evening, Wednesday morning, and Wednesday lunch. Food and milk will be provided to your campsite before each meal, but troops may choose to bring supplies to enhance the meal! Please see the week menu for additional details.

- There are a few dutch ovens, available for check out from the Commissioner, but troops are encouraged to bring their own stoves and dutch ovens to cook with.
- Tuesday evening has been set aside for your troops to cook in their campsites and do other activities as a troop or patrols. Staff will not be assigned to eat in the campsites, but you might wish to invite staff members to dine with you. Be sure to inform the camp cook, campsite counselor, or the ranger of any extra guests.

Troops are invited to bring any permissible food with them in their trailers. Scouts and Leaders with food allergies are common, so please ask your families ahead of time if there are concerns. We recommend you avoid bringing food with common allergies altogether (i.e. peanuts). All campers are advised not to keep food or empty wrappers/food containers in their tents. Wildlife, especially raccoons, are infamous for searching for food wherever it may be found including occupied, and unoccupied, tents.

CAMPSITE SECURITY

At times during camp when everyone is involved in a camp-wide program, it is advised that valuables are locked inside the troop trailer. As a reminder, Camp C.S. Klaus is not responsible for lost or stolen items.

TRASH DISPOSAL

Trash bags are provided to help keep the campsite clean. Trash will be picked up from the campsites daily by a designated staff member. Trash bags should be placed next to the campsite sign after evening program if they are to be collected for disposal. Please do not leave any trash in your campsite at the end of your week.

FEMININE HYGIENE

While Scouts and adults are responsible for their own necessary hygienic supplies, we acknowledge that unexpected situations arise. Campers may expect dispensaries discreetly located in restrooms throughout camp. Please contact the Health Officer if other supplies or assistance is needed.

PETS

Pets are NOT permitted at camp. The only exception is trained and certified service animals. Emotional support animals are not allowed. **This includes Thursday night visitors. Please make sure your unit is aware of this.**

HEALTH & SAFETY POLICIES

ACCIDENT AND SICKNESS INSURANCE

The Northeast Iowa Council currently provides accident and sickness insurance for campers registered the Northeast Iowa Council. The insurance is secondary to the camper's primary medical insurance. If they don't have insurance, Scouting America's insurance becomes primary. For all out-of-council campers, insurance is the responsibility of the troop and the Scout's parents unless otherwise covered by their home council. All accidents and illnesses must be reported to the Health Officer and recorded in the Camp Health Log so care can be documented in support of insurance claims. Records will be maintained in the Health Lodge and signed by the staff member in charge of Health and Safety.

ANNUAL HEALTH & MEDICAL RECORD

The Annual Health and Medical Record (Parts A, B, & C) is required for all Scouting America activities, All sections must be completed and signed by a physician. Chiropractor signatures are not accepted. The Official Annual Health & Medical Record can be found at <https://www.scouting.org/health-and-safety/ahmr/>. Forms will be given to the unit leader at checkout. Those forms not picked up will be destroyed.

HEALTH OFFICER

A qualified Health Officer is on duty at all times. In the event of serious accident/illness, the person will be taken to a clinic or hospital in Manchester, Iowa. Parents will be informed if the Scout needs extensive care.

MEDICATION - DOCTOR PRESCRIBED

If a youth camper must take doctor prescribed medicine, written instructions must be included with the Scout's name, medication name, time to be administered, and quantity to be administered. (See pg 18) The Allergies/Medications Consent Section on Part B of Scouting America Annual Health & Medical Record MUST be filled out by a parent/guardian and turned in at check-in. Scoutmasters can choose to keep track of prescription & over the counter medications and administration times after talking with the Camp Health Officer. Some scouts may be able to self-administer medication, especially if they are already doing so at home. The unit must keep medications in a locked container. Otherwise, all prescription medications must be turned into the Health Office for administration. Regardless of which method your Troop decides to use, prescription medications that are controlled substances (i.e. ADHD medications, narcotics, etc) must be kept in the Health Lodge and administered by the Medical Officer. Any medication that needs to be refrigerated will be kept in the Health Lodge. (Note: If a parent is present at camp, they can choose to store and administer the medications to their child with no restrictions including the controlled substances noted above.)

MEDICATION - OVER-THE-COUNTER/NON-PRESCRIPTION

Several non-prescription medications are available at the Health Office. By signing the Allergies/Medications Consent Section on Part B of the Scouting America Annual Health & Medical Record, you are allowing the Health Medical Officer to dispense any over the counter/non-prescriptions to your Scout at camp.

DISCIPLINE

The Unit Leader and assistants are responsible for the discipline and order of their own troop. The Camp Staff will not assume the responsibility for, or interfere with, unit discipline unless it directly involves the health and safety of Scouts, or the Unit Leaders are not present at the time of the problem. The Camp Director will be apprised of any problem by staff and will refer them to the camp leader of the unit. **Unit leaders will report any significant issues to the Camp Director. No arrangements may be made to send a Scout home before informing the Camp Director of the situation.** The youth release form is required for a Scout to leave camp. No initiations, corporal punishment, or hazing are permitted in camp.

AUTOMOBILE POLICY

All vehicles must be parked and remain in the parking lot. Personal vehicles are not to be driven through camp without permission from Camp Director or Camp Ranger.

- Participate in an Archery challenge
- Climb a challenging route at the Climbing Tower
- Join Aquatics for the Polar Bear Swim or participate in the mile swim.
- Other awards and activities will be presented throughout the week as they become available!

OPEN PROGRAM TIME

Throughout the day, and during scheduled times from 3:30-5:00pm each day, areas are open. They offer a variety of activities, including Open Shoot, Open Swim, and others. Be sure to listen during mealtimes in Munter Lodge for points of interest regarding these events.

B.A.S.E. CAMP (BEGINNING ADVANCEMENT SKILLS FOR EAGLE)

This program will continue to meet the needs of your troop's newest Scouts in their first trip to Camp C.S. Klaus. In addition to working on some basic requirements, Scouts will develop a strong foundation in Scouting centered skills and hands-on activities. A large part of this program is to teach our newest Scouts the meaning of leadership and provide them with fun opportunities in their own BASE Camp site. **If you are sending Scouts to Base Camp, sending a leader with them is recommended. If your campsite is sending a large number of Scouts at least one leader is strongly recommended to help with discipline and instruction.**

During the full-day program, the new Scouts will work on selected Tenderfoot through First Class requirements, the Scouting Heritage, Weather, and Basketry Merit Badges. Additionally, BASE Camp Scouts will have the opportunity to experience unique areas of camp, such as the Climbing Tower and the Ice Cave, and discover what's available the next year they attend Camp C.S. Klaus.

Please note: A summary sheet of rank requirements covered will be provided to unit leaders in the email sent from the Council Service Center with merit badge completions. Advancement does not always upload properly to Scoutbook Plus, so please double-check for accuracy.

BASE Camp borrows from Baden-Powell's Brown Sea traditions. Scouts will become part of patrols within the group, and instead of just practicing the skills necessary for rank advancement, they will put them to practical use. We encourage fun and allow first-year Scouts to experience something in all program areas of camp. Please let camp leadership know during Sunday's leader meeting if you have leaders skilled in basic Scout skills learned from Tenderfoot to First Class. We would love to have them share their expertise with the Scouts in BASE Camp.

We are excited to offer this program and feel that BASE Camp is the perfect way to get new Scouts integrated into the Scouts BSA Program while having fun!

This program has an additional \$15.00 program fee.

PROJECT C.O.P.E. (CHALLENGING OUTDOOR PERSONAL EXPERIENCE)

Do challenges such as The Whale, Zip-Line, Giants Ladder, or Artesean Beams, sound like fun to you? Then be sure to check out COPE. COPE comprises a series of outdoor challenges, beginning with basic group initiative games and progressing to more complicated activities. Low COPE events involve a group effort in which participants climb, swing, balance, and jump as well as think through solutions to a variety of challenges. Most participants find they can do much more than they initially thought they could.

A Project COPE course provides an opportunity for each participant to achieve success as an individual and as a member of a patrol or team. The activities are not designed to be competitive or to be races against time. The objectives include team building; solving problems; making decisions; and developing trust, communication, leadership, and self-esteem as team members cooperate to achieve goals upon which they have agreed. The course is designed to foster personal growth in a shorter length of time than anything most people have experienced.

This program has an additional \$15.00 program fee.

Participation at Camp

- **All youth ages 14 and older** can participate in COPE. We encourage leaders to join their Scouts at COPE. Additional troop or group participation will be determined on a week-to-week basis.

2025-CANOEING with C.O.P.E.

The canoe outpost will be a 7.5 mile trek on the Turkey River from Garber to Osterdock. Participation is limited to youth signed up for the COPE program and will take place during the morning throughout the week of summer camp.

This activity requires the same level of safety as all BSA paddle craft activities. To ensure participation, Scouts should expect to pass the BSA Blue Swimmer Test. The Canoeing Merit Badge is recommended but not required.

Participants can expect to be absent from camp during this morning session. Each participant must have the Youth Release Form on page 19 signed and completed before arriving at camp. Unit leaders can join the trip based on needs and availability.

CAMP PROGRAM CONTINUED

FRIDAY EVENING MERIT BADGE ROUNDUP

Friday evening will allow Scouts the opportunity to complete any last requirements to earn their merit badges for the week. Scouts having already completed their merit badges can meet in the parade grounds for games before the closing campfire.

ORDER OF THE ARROW(OA)

The OA members' ice cream social will be on Monday night. The OA will ask for volunteers to assist with the Thursday night program and to help with making the campfires. The Call-Out Ceremony will be on Thursday night, and instructions will be given to leaders during the leader's meeting. Note for out-of-council troops: Please see the OA's Guide for Officers and Advisers to secure proper permission for an out-of-council call out. If this is not done, we will not be able to call your Scouts out at Camp Klaus.

CHAPEL SERVICE

Scouts of all faiths observe the twelfth point of the Scout Law by worshipping in the manner of their choice. All campers are encouraged to attend the non-denominational service scheduled during the camping week. The chapel is also available for individual troop usage. Any troop interested in using the chapel during the week should contact the Program Director.

FLAG CEREMONIES

Camp-wide flag ceremonies will be at 7:50am and 5:50pm in front of Munter Lodge before breakfast and dinner. All Scouts are expected to attend and look presentable (Breakfast - Activity Uniform (Class B), Dinner - Field Uniform (Class A). Additional flag ceremonies will happen throughout the week in the parade grounds and will be noted on the program schedule. Each campsite is also equipped with a flag pole.

MERIT BADGES

SCOUTMASTER ROLE

The Scoutmaster is the first and last step in the merit badge process. They talk to a Scout to determine needs, level of interest, amount of preparation, and helps guide the Scout to meaningful badge work. If changes to the merit badge list or schedule are deemed necessary, leaders will be notified.

MERIT BADGE SESSIONS

Merit Badge sessions and schedule will be released in a separate packet. Unless otherwise stated, each merit badge will be limited to 15 youth participants. If changes to the merit badge list or schedule are deemed necessary, leaders will be notified. All extra class costs will be collected the last day of Camp at checkout.

MERIT BADGE SIGNUP

Registration for merit badges and other programs is through an online system on the council website (<http://www.scoutsiowa.org/>). Registration will open April 1st with registration on a first-come, first-served basis. No classes will be wait-listed. Registrations must be completed for the spot to be held for any Scout.

RANK AND AGE REQUIREMENTS

Scouting America has no set age or rank requirements for working on merit badges. Therefore, Camp C.S. Klaus will not limit a merit badge class due to age. However, some badges are more advanced than others, so we have provided ages strongly recommended for each badge. The only programs limited by age are Project C.O.P.E. and Cowboy Action Shooting which are 14 and older.

CREDIT FOR MERIT BADGES/REPORTING

All merit badge completions & partials will be uploaded to Scoutbook Plus for all units. Unit leaders need only to review and approve. A copy of all complete & partial merit badge blue cards will be emailed to unit leaders within a week of their unit checking out of camp. Records will be kept at the Council Service Center. Partial completion forms will be accepted.

MERIT BADGES CONTINUED

PLANNING

Merit badges at camp are offered on a schedule, to allow for more focused instructional time. Scout leaders are encouraged to assist each Scout in the planning and preparation of the merit badges which the Scout wishes to take. Most merit badges have pre-camp preparation/requirements.

Counselors are available in most program areas from 9:00-11:50am and from 2:00-4:50pm each day. On Thursday, program areas will close at approximately 4:00pm. in preparation for Visitors' Night. Most merit badges at camp require the Scout to attend class every day AND complete work outside of merit badge class as some badges are not able to be completed at camp. Aquatics, Field Sports, and select Scoutcraft Merit Badges are offered in 80-minute, rather than 50-minute sessions.
