

## Scouting Spirit Recognition

This is your Pack's, Troop's or Crew's opportunity to recognize one amazing Scouter at the Scouter Appreciation Dinner. This recognition is for the volunteer who shows the most Scouting Spirit in their unit. This Scouter should be someone who is always there for the unit showing commitment to Scouting's ideals and timeless values. The recipient of the Scouting Spirit Recognition may be a new or veteran Scouter.

\*Recipients will be recognized at the Scouter Appreciation Dinner and receive a framed certificate to show off their Scouting awesomeness!

**Pack, Troop and Crew Committees will be responsible to review all of their unit's nominations and turn one winner into the Council Service Center no later than February 23, 2026.**
