Design Exploring Post sponsored by  
FEH Design!**

Dear Exploring Partner,

We are excited to share an upcoming career exploration opportunity that may be a great fit for youth you work with who are interested in architecture, design, or engineering.

The Northeast Iowa Council's Exploring program is partnering with FEH Design to offer a hands-on **Architecture and Architectural Engineering Exploring career series** led by industry professionals.

**Wednesdays: March 25 – May 6  
4:30 – 6:00 p.m.  
FEH Design | 951 Main St, Dubuque  
Cost: \$57\***

Participants will explore building design, sustainable practices, and engineering systems while gaining real-world insight and networking opportunities.

**Please see the attached flyer for full details and help us by circulating it to students and families who may be interested.**

**To register:** Participants should complete the registration form (signed by a parent/guardian) and submit it with payment to: Exploring | PO Box 732 | Dubuque, IA 52004 OR Online registration is also available at: [www.scoutingevent.com/178-FEH2026](http://www.scoutingevent.com/178-FEH2026) (\*Please note: a \$4 convenience fee applies to online registration.)

**About Exploring:** *Exploring is a career-exploration program for youth ages 14–20 and have completed 8<sup>th</sup> grade which provides hands-on learning experiences, mentorship from industry professionals, and opportunities to discover potential career paths. Exploring programs are part of Scouting America and posts are designed to help young people build confidence, develop workplace skills, and connect their interests to future careers.*
