

EXPLORE AVIATION CAREERS

The Aviation Exploring Post introduces students to the many components of airport operations—from safety and ground coordination to how the Dubuque Regional Airport is managed day to day. Participants will also explore the world of flying through hands-on learning about what it takes to become a pilot and operate an aircraft.

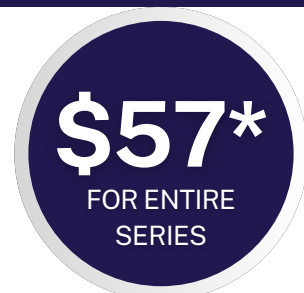

Activities Include:

- ✓ Flight Exploration
- ✓ Air Traffic Control
- ✓ Airport Operations
- ✓ Science Behind Aviation
- ✓ ...and more

Meetings start September 14, 2026 | 6:00pm-7:30pm
Classes take place every month on a Monday through April.
All meetings take place at the Dubuque Regional Airport,
10800 Airport Road, Dubuque.
