DRESS CODE

The Northeast Iowa Council encourages all campers to dress comfortably while they are at camp. Campers should use their best judgement to dress appropriately and not wear anything that would make other campers feel uncomfortable. When packing for camp, the following dress code items should be adhered to:

- **Clothing** should not include profanity or images that do not support the Scout Oath and Law
- Proper undergarments should be worn
- **Pants and shorts** must
  - completely cover undergarments
  - not allow for exposure of the buttocks
  - stay up without the use of hands
- **All shirts** must
  - have wide straps or cover the shoulders - no "spaghetti straps"
  - not be see-through or expose the side of the body
  - be worn at all times outside of the aquatics area or shower house
- **Closed-toed shoes** must be worn at all times except while in the aquatics area or shower house. At no time should a camper be barefoot unless in the designated Aquatics areas, the shower or in their tent.

Scouts will be asked to wear the Scout Field Uniform (Class A) to flag lowering, dinner, and at campfires.

Swimwear should be comfortable, functional, and appropriate for the specific aquatic activity. All Swimwear should follow these guidelines:

- clean
- designed as swimwear
- appropriate and safe for the activity
- secure enough to not shift or fall off while participating
- t-shirt or additional layer such as a rash guard may be allowed if it does not hamper movement in the water

For males: swim briefs or swim bottoms short enough to allow exposure are not allowed. Appropriate swimwear may include swim trunks or board shorts.
For females: bikinis or swim wear that allows exposure are not allowed. Appropriate swimwear may include tankinis or one-piece swimsuits.

As always, we remind everyone that Scouting's Barriers to Abuse states, "Appropriate attire is required for all activities". Our policy reflects Scouting America's statement and commitment to belonging and are based on health & safety, dignity, and respect. These guidelines pertain to all ages, genders, and apply to Scouts, Scouters, staff, visitors, and family members.

CAMP C.S. KLAUS FACILITIES

DAMAGE TO EQUIPMENT

Each campsite will be responsible for equipment provided for their use by the camp. Any damage to equipment because of abuse, whether willful or as a result of negligent or imprudent practices, will be charged to the individual or Pack.

LOST AND FOUND

The camp lost and found box will be located at the Camp Office. Leaders and parents need to remind Scouts to have their personal effects marked with name and pack number. Each Scout needs to take care of, and safeguard, their personal property. Camp C.S. Klaus is not liable for any lost or stolen items.

HEALTH LODGE

A qualified Health Officer is on duty at all times. In the event of serious accident/illness, the person will be taken to a clinic or hospital in Manchester, IA. Parents will be informed if the Scout needs extensive care.

SHOWER HOUSES

Each shower stall has its own entrance and is private. Youth must be accompanied by an adult leader or parent to the shower house. Usage of phones or cameras in or near the shower house are strictly prohibited. Inappropriate behavior may lead to immediate dismissal from camp.

SCOUTS OR ADULTS WITH DISABILITIES

We strive to make camp as accessible as possible for all participants. Accessible campsites, showers, and restrooms are available. Please notify the Council Service Center of any accommodations or restrictions at the time of registration so we can plan accordingly. While we will make every effort to meet individual needs, please note that summer camp is a primitive environment with significant physical and mental demands, including extensive walking and steep trails. Limited transportation assistance may be available on a case-by-case basis for travel to campsites or distant program areas.

MAINTENANCE OF CAMP PROPERTY

The Camp Ranger and council's properties committee will work with the Camp Director to maintain the facilities of Camp C.S. Klaus. In the event you discover the need for repairs (i.e. broken board on a tent platform), please report the problem to the Commissioner.

TRASH DISPOSAL

Trash bags are provided to help you keep your campsite clean. Trash bags should be placed next to the campsite sign after evening program if they are to be collected for disposal. **Please do not leave any trash in your campsite at the end of your stay.**

SUPPLIES

The Quartermaster is open each day. Toilet paper, trash bags, and various tools and equipment may be obtained from the Campsite Counselor.

CAMP HOUSING

Camp C.S. Klaus provides the following at each campsite: two-person tents on wooden platforms, cots (2 per tent), flagpole, latrine-washstands, picnic tables, and a fire ring. Tent platforms are not to be moved off their foundations! Please remember that all Scouting America Privacy Standards must be followed when it comes to the sharing of tents. A Scout may only share a tent with a parent/guardian or another Scout of same gender within 2 years of age.

***Use of personal camper-type vehicles is prohibited!**

***Camping in vehicles in the parking area is prohibited!**

HEALTH & SAFETY POLICIES

FOOD IN CAMPSITES

ALL CAMPERS ARE ADVISED TO NOT KEEP FOOD IN THEIR TENTS. Wildlife, especially raccoons, are infamous for searching for food wherever it may be found in a campsite.

TRADING POST

The Camp C.S. Klaus Trading Post is stocked with items necessary to assist Scouts in the successful pursuit of skills and adventure, as well as snacks, toiletry items, t-shirts, patches and camping gear. Hours will be posted at the Trading Post. Cash, credit cards, ApplePay & GooglePay accepted.

ACCIDENT AND SICKNESS INSURANCE

The NEIC currently provides accident and illness insurance for campers registered with NEIC. Insurance is secondary to the camper's primary medical insurance. If they don't have insurance, Scouting America's insurance becomes primary. For all out-of-council campers, insurance is the responsibility of the pack and their family unless otherwise covered by their council. All accidents and illnesses must be reported to the Health Officer and recorded in the Camp Health Log so care can be documented in support of insurance claims. Records will be maintained in the Health Lodge and signed by the staff member in charge of Health and Safety.

ANNUAL HEALTH & MEDICAL RECORD

The Annual Health and Medical Record is required for all Cub Scout activities, with sections A & B completed for youth and adults in attendance. This is turned in at check-in and can be picked up at check-out. Medical forms will be destroyed after check-out. The Official Scouting America Annual Health & Medical Record can be found at https://www.scouting.org/health-and-safety/ahmr/.

MEDICATION - DOCTOR PRESCRIBED

If a youth camper must take prescription medication, written instructions must be included with the Scout's name, medication name, with time and quantity to be administered. The Allergies/Medications Consent Section of the Annual Health & Medical Record MUST be filled out by a parent/guardian. **Please take care to ensure the medication list is current to when the Scout is in camp.** Packs can choose to keep track of medications and administration times after talking with the Camp Health Officer. The unit must keep medications in a locked container. Otherwise, all prescription medications must be turned into the Medical Officer at check-in for administration. However, all prescription medications that are controlled substances must be kept in the Health Lodge and administered by the Medical Officer. Any medication that needs refrigeration will be kept in the Health Lodge. (Note: If a parent is present at camp, they can choose to store and administer the medications to their child with no restrictions including the controlled substances noted above.)

MEDICATION - OVER THE COUNTER/NON-PRESCRIPTION

Several non-prescription medications are available at the Health Office. By signing the Allergies/Medications Consent Section of the Annual Health & Medical Record, you are allowing the Health Medical Officer to dispense any over the counter medications to your Scout at camp.

FEMININE HYGIENE

While campers are responsible for their own necessary hygienic supplies, we acknowledge that unexpected situations arise. Campers may expect dispensaries discreetly located in restrooms throughout camp.

PETS & BICYCLES

Pets are NOT permitted at camp. The only exception is trained and certified service animals. Emotional support animals are not allowed. Bicycles are not allowed.

HEALTH & SAFETY POLICIES CONTINUED

DISCIPLINE

The unit leaders/parents are responsible for the discipline of their own Scouts. The Camp Staff will not assume the responsibility for, or interfere with, discipline unless it directly involves the health/safety of youth or the unit leaders/parents are not present at the time of the incident. The Camp Director will be apprised of any situations by staff and will refer them to the unit leader/parent. No arrangements may be made to send a Scout home before informing the Camp Director of the situation. The Youth Release Form is required for a Scout to leave camp. No initiations, bullying, or hazing are permitted in camp.

OUTDOOR HAZARDS

In any trip to the outdoors the camper may encounter biting insects and poisonous plants or animals. Each parent should familiarize themselves and their youth with poisonous plants and biting insects, especially poison ivy, wild parsnip, ticks and mosquitos. The effects can be minimized with good personal practices. All injuries of this type should be reported to the Camp Health Officer for treatment and recording.

WEATHER EMERGENCIES

In the event of impending severe weather, campers will be notified by program area staff and campsite counselors. The Camp Ranger will drive a vehicle through camp to notify campers. Staff will instruct the campsites to proceed to the nearest severe weather shelter. There are three concrete weather shelters located on the hill near the campsites, as well as in the basements of Munter Lodge, Visitor Center and Health Lodge.

In the event of sudden, severe weather, the siren will sound continuously. All campers shall take cover immediately in a ditch or other low area. The all clear signal will be a series of on and off siren calls. Everyone should then report to the Parade grounds so Campsite Counselors can account for all campers.

FIREGUARD PLAN

In case of fire, the Camp Director is to be notified immediately. The Camp Director will contact the Fire Department. All campers are requested to stay clear of the fire area. The Camp Ranger will travel throughout the camp with the vehicle's horn blowing. All Scouts and adults will report to the Parade Ground flagpole area. Leaders should assemble their Scouts in a safe area and take a roll call.

OPEN FLAMES

No open flame is to be used in a campsite with the exception of campfires or cooking fires that are attended while they are burning. Open flames of any kind are strictly prohibited in tents.

FIREARMS, AMMUNITION, BOWS AND ARROWS, SHEATH KNIVES

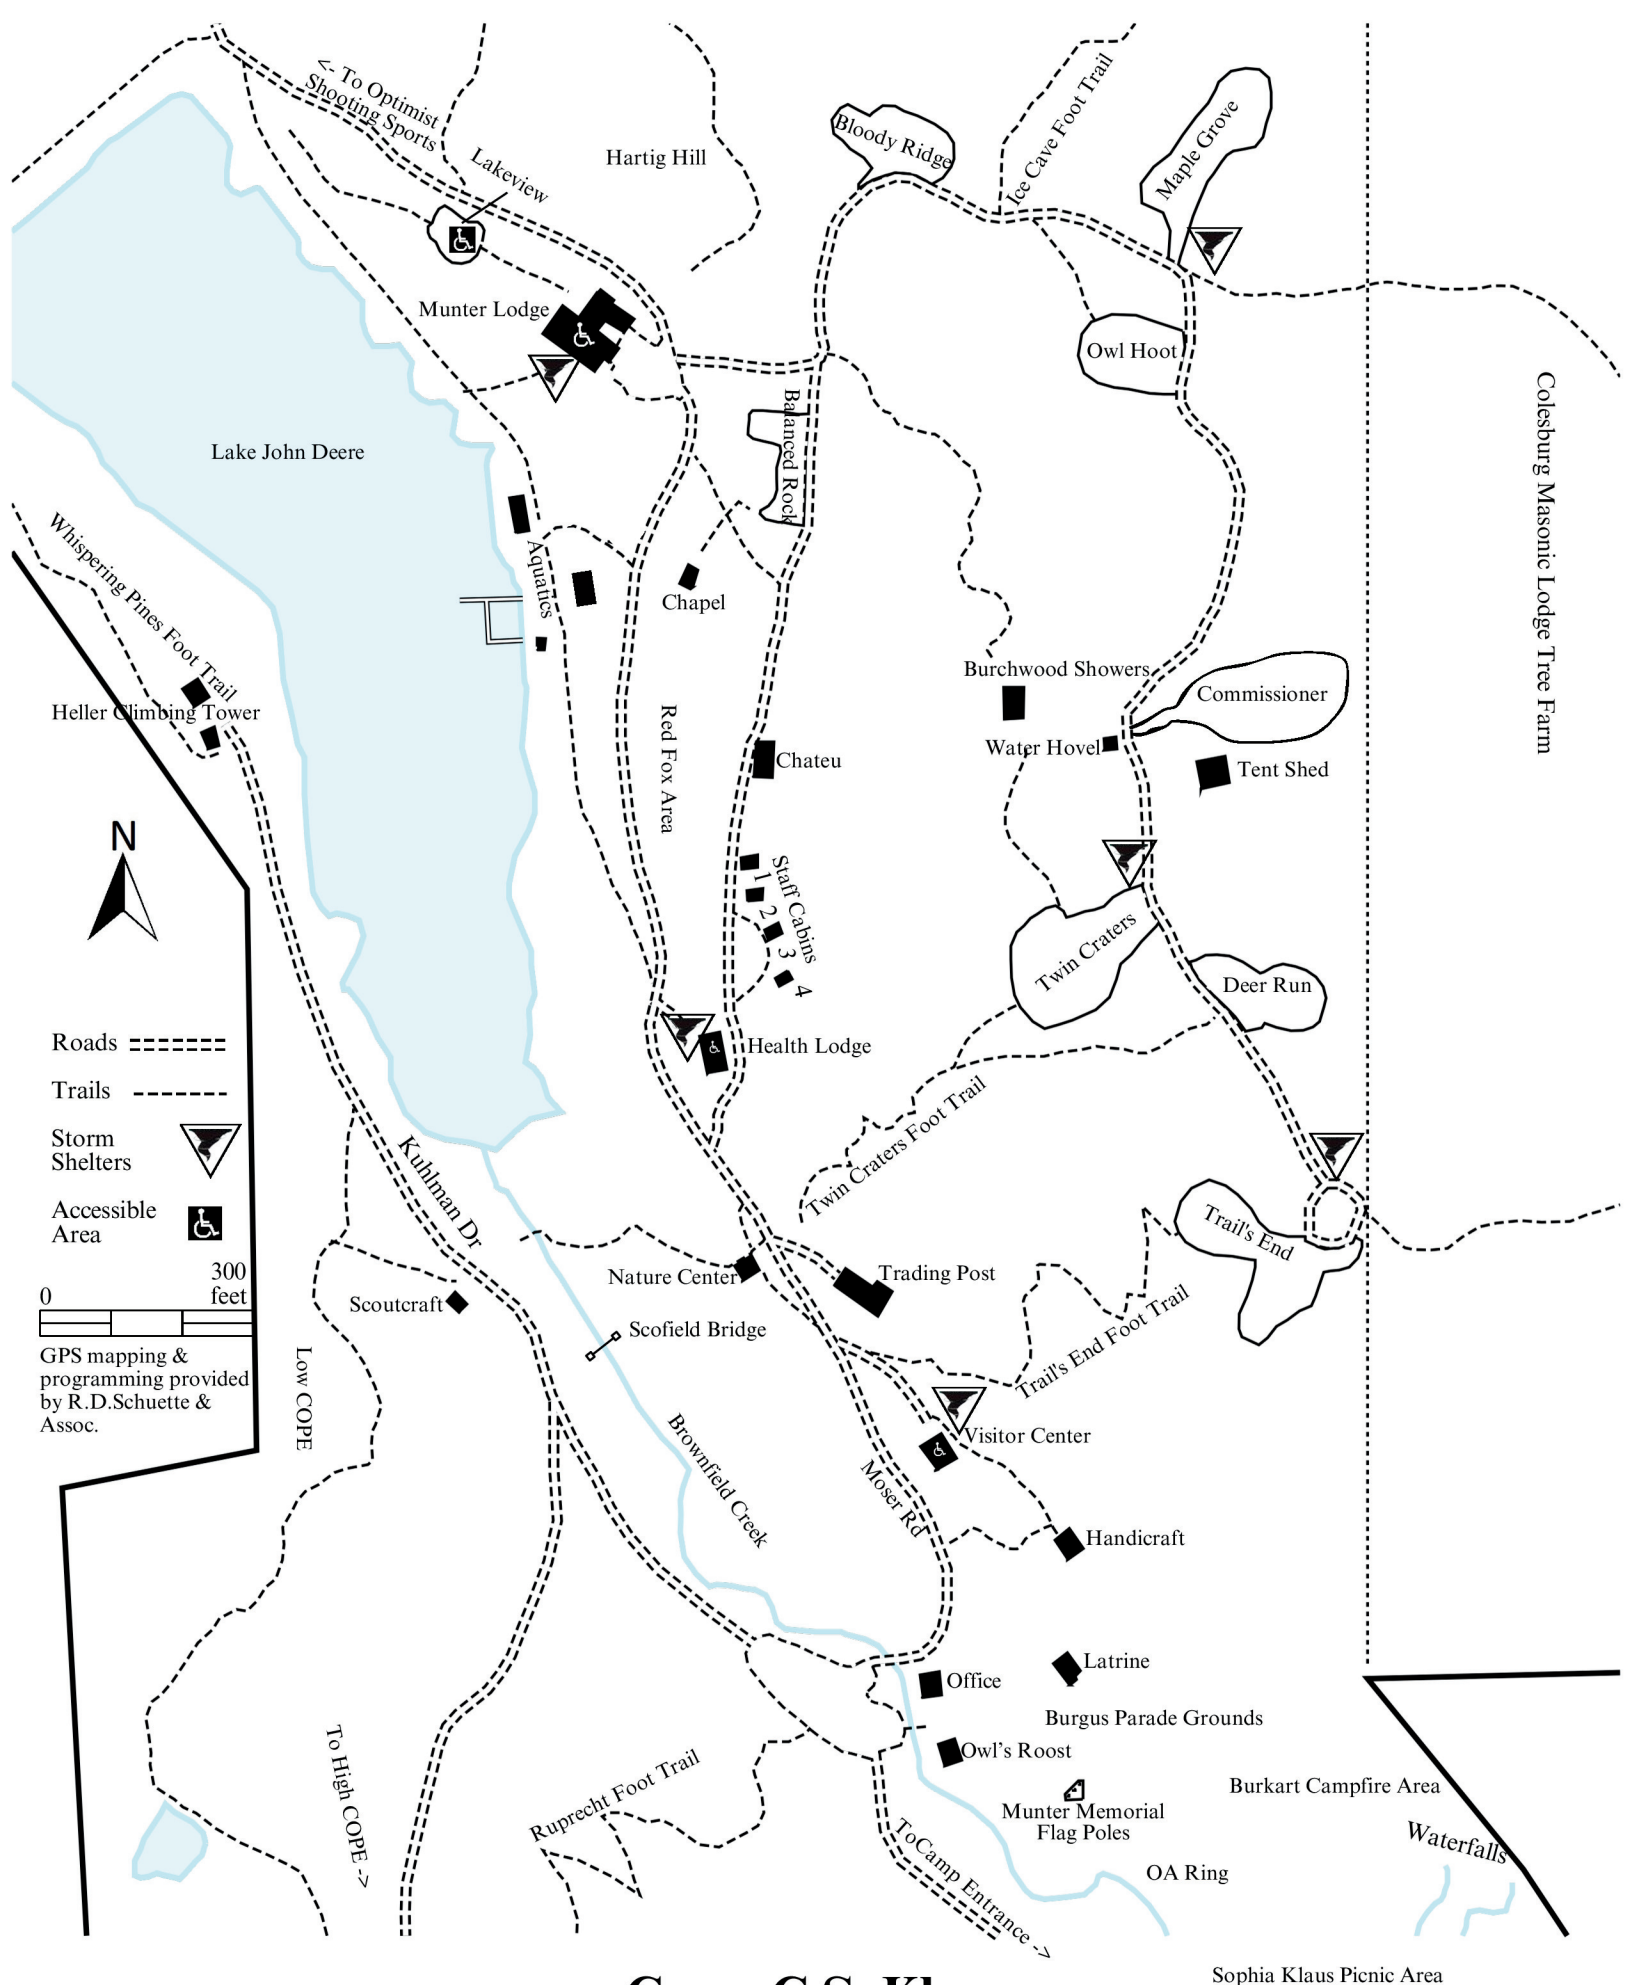

The camp will have available all bb guns, ammunition, and bows and arrows needed for use as part of the camp program. Personal equipment and ammo is not allowed in camp. Non-folding sheath knives are not allowed by anyone at camp. Absolutely no types of weapons are allowed at camp.
