

KANSAS SEA BASE

**August 2 - 4, 2024
Blue Valley Yacht Club
Tuttle Creek Lake**

Konza District, Coronado Area Council

Since its beginning, the Boy Scouts of America has encouraged outdoor adventures as learning experiences. In that tradition, Kansas Sea Base (KSB), an inland water safety and merit badge program was developed by the Konza District of the Coronado Area Council, Boy Scouts of America. The program is cosponsored by the Blue Valley Yacht Club and the Blue Valley Youth Sailing Foundation. By attending Kansas Sea Base, a Scout can earn a boating merit badge, learning how to operate a particular kind of vessel properly and safely, and have a great time participating in one of the greatest forms of recreation to experience the outdoors.

WHO CAN ATTEND?

Kansas Sea Base is open to Scouts who are least 13 years old and are blue swimmers. The Watersports merit badge in particular will be a good workout for the Scouts taking it on. At least one registered adult leader must be present for every 8 youth. Adults will supervise and be responsible for the youth they have brought to the event. ***Due to the nature of our program, we CANNOT accommodate non-participating youth or siblings.***

Scouts may choose to work on **Small-Boat Sailing, Motorboating, Kayaking, or Watersports** merit badges. Only 1 class will be available per Scout.
