Dear Scouts and Scouters,

This event is designed to see, develop, and grow the skills, we started learning early on in our scouting career. From our most basic knots, cooking, and trivia.

This event should help develop teamwork skills, latch on to our core scouting skills, as well as show us areas for improvement. Scouts working as a team, will thrive as a team. Discovering weakness and strengths, while developing skills these young men and women will use in their future endeavors.

Additional information is available <https://scoutingevent.com/192-82056>.

For questions about the event please contact Clayton (785) 410-3189

“Remember you have to be present to enjoy the fun and make this event a personal, memorable, experience”.

See you at Camp Hansen and enjoy this great weekend of camping.
