Check-in: Check-in will start at 6 pm on Friday, November 13th. Units must confirm everyone on site. All attendees must bring medical forms Part A & B, which will be turned in to the camp medical officer. The unit leader will receive health forms upon check-out. Forms not picked up will be shredded at the Konza District office on the first business day following the event. Please inform event leadership beforehand if you have Scouts or leaders with food allergies.

Check-out: All units shall check out with the Camporee Staff before leaving camp. Camporee staff will be available in the Dining Center between 7:30 pm and 8:30 pm on Saturday for units leaving early and 9:30 am to 11:30 am on Sunday. Campsites will be checked on Check-out. We will provide medical forms and patches once the campsite is cleared and the unit is ready to depart. All units must depart Camp Brown by 11:30 am on Sunday.

Arrow of Light Scouts: Arrow of Light Scouts can attend as an Arrow of Light den/patrol under the supervision of two-deep leadership from their Arrow of Light den/patrol or pack. Arrow of Light dens will participate in the campout similar to a Troop or Patrol.

Adults: All adults attending fall camporee shall be registered adults in one program of Scouting America and current in Safeguarding Youth Training.

SPL Meeting and Cracker-barrel: The Senior Patrol Leader, Chaplain's Aide, and one Scoutmaster shall attend the SPL/Chaplains Aide meeting at 9:30 pm on Friday in the Dining Center.

Parking: For our campers' safety, all vehicles will be parked in the parking lot. When units arrive, only one vehicle per unit may transport gear to the campsite. Vehicles pulling a trailer may remain at the campsite but must stay there until the unit checks out and leaves camp. This is the only vehicle allowed at the campsite. Late arrivals (scouts and leaders) must carry their gear from the parking lot to the campsite. All Scouts and leaders must walk to the campsite. If it rains or roads are muddy, **NO** vehicles will be allowed beyond the parking lot. Please plan accordingly. Watch and follow all posted signs throughout the area.

Meals: There will be a camp-wide dinner on Saturday night with the meat provided. Each unit must bring at least 1 side dish or dessert to share (side dishes should serve 40-50 individuals). This will be cooked in camp. PLEASE MARK YOUR VESSEL. Units will be responsible for all other meals. Units must provide their own firewood for the weekend. Adult assistance is requested to serve dinner. Scouts and Leaders are responsible for bringing their own table service (plates, cups, and silverware) for dinner and washing their dishes in their campsite after the meal.

Charcoal: Each unit must bring one 10 lb bag of charcoal. Turn in charcoal at the Friday evening SPL meeting.

Severe Weather Procedure: In the event of severe weather, Camporee staff will sound a siren, and all Scouts, Adults, Staff, and visitors in camp will report immediately to the storm shelter. Everyone will remain in the storm shelter until the threat of severe weather has passed. Camporee staff will determine when participants are no longer required to be in the storm shelter. Participants may use the Shelter at any time they feel it necessary.

Visitors: Per BSA policy beginning Sept 1, 2024, Cub Scouts and Webelos are not allowed to visit on Saturday. All other visitors shall check in/out with Camporee staff.

Volunteers: Adult volunteers are requested Saturday afternoon to help prepare for the Saturday evening meal and Saturday evening after the meal to help with cleanup. One youth from each troop must assist with final meal preparations (KP Duty) and should report to the dining center at 5:00 pm.

Open Fires: Open fires are only allowed in permanent fire rings or in above-ground burn barrels. A leader or two scouts shall be present any time an open fire is active per Scouts BSA policy. If a burn ban is in place, no open fires will be allowed and all cooking shall be on propane or liquid fuel stoves.

Saturday Activities: The Camporee theme is Cooking. During the day on Saturday, units will attend stations to learn about a variety of cooking-related topics. At the Friday night SPL meeting, we will provide the final station schedule and a map of station locations.
